Agricultural Technique

- S. Jakobović and M. Jakobović. Pomace Brandy Quality of Cultivar Riesling White from Kutjevo Vine-growing Region..... 917

Ecology and Soil Science

- I. Y. Aneva, D. St. Dimitrov, and V. M. Vutov. Flora and Vegetation of Slavyanka Mountain..... 926
- S. Ketin, M. Imamovic, D. Nikolic and R. Biocanin. Technology for the Remediation of Soil..... 935
- I. A. Mari, Ji Changying, N. Leghari, F. A. Chandio, Ch. Arslan and M. Hassan. Impact of Tillage Operation on Soil Physical, Mechanical and Rheological Properties of Paddy Soil..... 940

Plant Sciences

- M. Rogova, Ts. Ganeva, M. Stefanova, D. Koleva and V. K.-Toteva. Morphoanatomical Study of in vitro Propagated and ex vitro Adapted *Achillea thracica* Velen. Plants..... 947
- A. Schroeter-Zakrzewska. Influence of the Light Colour on the Seedling Quality of French Marigold and Scarlet Sage..... 951
- D. M. Manolova, A. I. Kaninski and N. G. Zaprianova. Effects of Different Substrates on Seed Germination of Four Protected Species from Genus *Goniolimon*, Fam. *Plumbaginaceae*..... 957
- J. Encheva, G. Georgiev and D. Valkova. Sunflower Hybrid Rada, Developed with Mutant Restorer Line 12002 R..... 961
- O. Karadjova, Z. Ilieva, E. Petrova and V. Krumov. *Heterodera zaeae* Koshy, Swarup and Sethi, 1971 (*Heteroderidae*): Probability of Introduction on Cereals in Bulgaria..... 969
- M. Sajid, M. A. Anjum and S. Hussain. Foliar Application of Plant Growth Regulators Affects Growth, Flowering, Vase Life and Corm Production of *Gladiolus grandiflorus* L. Under Calcareous Soil..... 982
- A. Vitkova, M. Nikolova, M. Delcheva, Al. Tašhev, A. Gavrilova, I. Aneva and D. Dimitrov. Influence of Species Composition on Total Phenolic Content and Antioxidant Properties of Herba *Alchemillae*..... 990
- M. Dinu, M. G. Dumitru and R. Soare. The Effect of Some Biofertilizers on the Biochemical Components of the Tomato Plants and Fruits..... 998
- E. Dogan, I. Rat, A. Kahraman and I. S. Ipek. Green Pea Response to Deficit Irrigation Rates under Semi-Arid Climatic Conditions..... 1005
- K. Szabó, P. Szabó and R. A. Halbritter. Allelopathiceffects of *Cirsium arvense* (L.) Scop. in Hungary..... 1012
- V. Manolova, S. Kostadinova and I. Manolov. Economic Efficiency of Fertilization and Its Residual-Effect During Conversion Period to Organic Field Crop Production..... 1022
- D. Dragolova, M. Stefanova, M. Dimitrova, D. Koleva, M. Zhiponova and V. Kapchina-Toteva. In vitro Cultivation and ex vitro Adaptation of *Nepeta Nuda* ssp. *Nuda* – Correlation Between Regeneration Potential, Leaf Anatomy, and Plastid Pigments..... 1027
- V. V. Oberemok, O. S. Zaitsev, P. M. Nyadar and Yu. I. Gninenko. The Selectivity of DNA Insecticides..... 1033

continues inside

CONTENTS (continued)**Page****Animal Science**

- V. Gerzilov and P. Petrov. Relationship Between Some Blood Biochemical Parameters and Fatty Liver Weight in Force Feeding of Mule Ducks..... 1039
- I. Stoycheva and A. Kirilov. Induction of Synchronic Oestrus, Impregnancy and Fertility of Female Lambs at 18 Months of Age and Female Lambs At 7-8 Months of Age, After Treatment with PMSG..... 1044
- B. Szostak, Ł. Przykaza and A. Apostolov. The Effect of Season on Semen Parameters in Polish Landrace and Polish Large White Boars and Phenotypic Correlations Between Semen Characteristics in Different Seasons..... 1049
- G. Yordanova, T. Popova, J. Nakev, R. Nedeva, Y. Marchev, E. Kistanova and A. Shimkus. Lipid Profile of *M. Longissimus Dorsi* in Response to Dietary *Spirulina Platensis* Supplementation in Pigs..... 1054
- K. Boychev and Ts. Nikolova. Interrelation of Potential and Actual Fertility with Glycogen Content in Corpus Luteum Graviditatis of Landrace and Large White Gilts..... 1060
- Ž. Klir, Kl. Potočnik, Zv. Antunović, J. Novoselec, Z. Barač, D. Mulc and D. Kompan. Milk Production Traits from Alpine Breed of Goats in Croatia and Slovenia..... 1064
- R. Colovic, L. Pezo and D. Palic. Prediction of Metabolizable Energy Content of Poultry Feedstuffs – Response Surface Methodology vs. Artificial Neural Network Approach..... 1069
- T. Ivanova and E. Raicheva. Wool Production and Some Wool Properties from Ewes from Synthetic Population Bulgarian Milk..... 1076

Veterinary Medicine

- K. Kanchev. On *Taenia Hydatigena* (Pallas, 1766) Biological Characteristics, Important for the *Tenuicol* Cysticercosis Epizootology..... 1080
- S. O. Enginler, T. S. F. Toydemir, A. Ates, B. Ozturk, O. Erdogan, S. Ozdemir, I. Kirsan, M. E. Or, S. S. Arun and U. B. Barutcu. Examination of Oxidative/Antioxidative Status and Trace Element Levels in Dogs with Mammary Tumors..... 1086
- J. Kvapilík, O. Hanuš, L. Bartoň, M. V. Klimešová and P. Roubal. Mastitis of Dairy Cows and Financial Losses: an Economic Meta-Analysis and Model Calculation..... 1092

Biophysics

- G. Petrov and Ts. Tsvetkov. Scaling without Conformal Invariants and the Causality in the Non local Relativistic Quantum Systems in living Cells..... 1106
