Genesis and Geography of Soils

Technologies and Standards in the Information Systems of the Soil-Geographic Database of Russia

*O. M. Golozubov, V. A. Rozhkov, I. O. Alyabina,
A. V. Ivanov, V. M. Kolesnikova, and S. A. Shoba*

1

Extremely Arid Soils of the Ili Depression in Kazakhstan

M. P. Lebedeva, M. I. Gerasimova, D. L. Golovanov, and I. A. Yamnova

11

Changes in the Soil Properties under Differently Directed Climatic Fluctuations of the Late Holocene in the Semidesert Zone (by the Example of the Palasa-Syrt Burial Mounds in Dagestan)

*O. S. Khokhlova, A. A. Khokhlov, A. M. Kuznetsova,
V. Yu. Malashev, and R. G. Magomedov*

27

Accumulation of Organic Carbon in Chernozems (Mollisols) under Shelterbelts in Russia and the United States

*Yu. G. Chendev, T. J. Sauer, A. N. Gennadiev, L. L. Novykh,
A. N. Petin, V. I. Petina, E. A. Zazdravnykh, and C. L. Burras*

43

Soil Physics

Colloidal Component of Granulodensimetric Soil Fractions

G. N. Fedotov and Z. S. Artem'eva

54

Compaction of Chernozems on the Right Bank of the Kuban River

A. S. Sorokin and G. S. Kust

63

Soil Biology

Mycelial Actinobacteria in Salt-Affected Soils of Arid Territories of Ukraine and Russia

*V. N. Grishko, O. V. Syshchikova, G. M. Zenova, P. A. Kozhevin,
M. S. Dubrova, D. A. Lubsanova, and I. Yu. Chernov*

72

Influence of *Bacillus subtilis* on the Physiological State of Wheat and the Microbial Community of the Soil under Different Rates of Nitrogen Fertilizers

*V. N. Pishchik, N. I. Vorobyev, K. G. Moiseev,
O. V. Sviridova, and V. G. Surin*

77

Agrochemistry and Soil Fertility

Effect of the Spatial Heterogeneity of Soil Properties on the Growth and Productivity of Soybeans

N. D. Kutuzova, G. S. Kust, S. Yu. Rozov, and G. V. Stoma

85

Degradation, Rehabilitation, and Conservation of Soils

Morphogenetic Diagnostics of Soil Formation on Tailing Dumps of Coal Quarries
in Siberia

*D. A. Sokolov, V. A. Androkhanov, S. P. Kulizhskii,
E. A. Domozhakova, and S. V. Loiko*

95

The Impact of a Large Industrial City on the Soil Respiration in Forest Ecosystems

I. A. Smorkalov and E. L. Vorobeichik
