

## production

- 16 Microsporidian Impacts Shrimp Production – Industry Efforts Address Control, Not Eradication  
*Stephen G. Newman, Ph.D.*
- 18 New Paradigm In Pathogen Control – Mozambique Research Obtains Shrimp Postlarvae With WSSV Acquired Immunity  
*Mandresy Manantsara, François Grosse, Alain Michel*
- 20 Shrimp Postlarvae Quality – Part I Improved Hatchery Techniques Enhance Quality  
*Roeland Wouters, Ph.D.; Eva Beque; Geert Rombaut, Ph.D.; Phuthongphan Rattayaporn*
- 24 Reporting Of Fish Escapes, Causes Crucial Step In Developing Better Controls  
*Rodrigue Yossa, Ph.D.; Grant W. Vandenberg, Ph.D.*
- 26 **Soy-Fed Fish News**  
Soybeans: Truly Sustainable Feed Ingredient? Part I. Modified Soybeans Safe, Enhance Production  
*Kelly Coleman*
- 28 **The Bottom Line**  
Major League Performance Requires System-Specific Performance Standards  
*Thomas R. Zeigler, Ph.D.; Craig L. Browdy, Ph.D.; Peter Van Wyk, M.Aq.*
- 32 **Sustainable Aquaculture Practices**  
Defining Ranges For Water Quality Variables Presents Complex, Challenging Process  
*Claude E. Boyd, Ph.D.*
- 36 Pond Bottom Dryout, Liming  
Part II. Limit Liming After Soil Testing  
*Li Li, Ph.D.; Julio F. Queiroz; Embrapa Meio Ambiente; Claude E. Boyd, Ph.D.*
- 38 Artificial Upwelling Maintains Favorable Summer Environment For Farmed Oysters  
*Darien D. Mizuta, Ph.D.; Akibide Kasai, Ph.D.; Hitoshi Yamaguchi, Ph.D.; Hideaki Nakata, Ph.D.*
- 42 Stress Susceptibility Of Echinoderms Under Aquaculture Conditions  
*Regina Shannon; Ahmed Mustafa, Ph.D.*

## marketplace

- 44 Domestic Market For Farmed Shrimp In Brazil – Improved Practices, Rising Demand Alter Industry  
*Itamar Rocha, Charles Mendonça*
- 48 **Seafood and Health**  
U.S. Consumers Not Achieving Seafood Guidelines  
*Roy D. Palmer, FAICD*
- 52 Survey: Consumers In Catalonia Accept Farmed Sea Bream, Vary On Form  
*Cristina Escobar, Dr. Zein Kallas, Dr. José Maria Gil*
- 56 **Food Safety And Technology**  
Shrimp Out Of Water – Shipping Live Shrimp In Waterless Conditions  
*George J. Flick, Jr., Ph.D.; David D. Kubn, Ph.D.*
- 58 **U.S. Seafood Markets**  
*Paul Brown, Jr.; Janice Schreiber; Angel Rubio*

## innovation

- 62 Emerging Trends In Salmonid RAS  
Part I. Closed-Containment Culture Advances  
*Steven Summerfelt, Ph.D.; John Davidson, M.S.; Travis May; Christopher Good, DVM, Ph.D.; Brian Vinci, Ph.D.*
- 64 Sex Determination In Tasmanian Atlantic Salmon  
*Natasha Botwright; Brad Evans, Ph.D.; Krzysztof Lubieniecki, Ph.D.; William Davidson, Ph.D.; Mathew Cook, Ph.D.*
- 66 Seaweed Mariculture Provides Feed, Green Energy Production, Bioremediation  
*Albert O. Amosu; Deborah V. Robertson-Andersson, Ph.D.; Gavin W. Maneveldt, Ph.D.*
- 70 **Aquaculture Engineering**  
Recirculating Aquacultures Technology  
Part II: Starting Biofilters  
*Thomas M. Losordo, Ph.D.; Dennis P. DeLong, MSM*
- 72 Soybean Meal, Distillers Grains Replace Fishmeal In Experimental Shrimp Diets  
*Vaun C. Cummins; Kenneth R. Thompson; Carl D. Webster, Ph.D.*
