

Volume 80 Issue 3
June 2015

A preharvest treatment of ethephon and methyl jasmonate affects mechanical harvesting performance and composition of 'Verdejo' grapes and wines

L. Uzquiza · R. González · M.R. González · M.W. Fidelibus · P. Martín

97

Improving fruit size and quality of low yielding and small fruited pear cultivars with benzyladenine and gibberellin applications

F.A. Canli · M. Pektas

103

Root growth, yield and fruit quality of 'Red Fuji' apple trees in relation to planting depth of dwarfing interstock on the Loess Plateau

Bingzhi Li · Junfeng Wang · Xuefei Ren · Lu Bao · Lanqing Zhang · Linsen Zhang · Mingyu Han · Dong Zhang

109

Susceptibility to blue mold caused by *Penicillium expansum* in apple cultivars adapted to a cool climate

I.I. Tahir · H. Nybom · M. Ahmadi-Afzadi · K. Røen · J. Sehic · D. Røen

117

Evaluation of the soil ecological measure for overcoming replant disorder of strawberry

Z.J. You · Y. Xing · W. Guan · H.P. Ma · Z.M. Liu

128

Preliminary identification of pear accessions of 'Lubeničarka' group using RAPD markers

M. Kajkut · G. Đurić · N. Mičić

134

Identification of superior almond (*Prunus dulcis*) genotypes from a germplasm field in Iran

A. Khadivi-Khub · E. Osati

139
