Vol. 48, No. 12, 2015

A simultaneous English language translation of this journal is available from Pleiades Publishing, Ltd.
Distributed worldwide by Springer. *Eurasian Soil Science* ISSN 1064-2293.

Genesis and Geography of Soils

Regional Specificity of the Climatic Evolution of Soils in the Southern Part of Eastern Europe
in the Second Half of the Holocene

Yu. G. Chendev, A. R. Lupo, M. G. Lebedeva, and D. A. Borbukova 1279

Soil Chemistry

On the Nature of Humic Substances

G. N. Fedotov and S. A. Shoba 1292

Polycyclic Aromatic Hydrocarbons in Insular and Coastal Soils of the Russian Arctic

*E. V. Abakumov, V. M. Tomashunas, E. D. Lodygin, D. N. Gabov,
V. T. Sokolov, V. A. Krylenkov, and I. Yu. Kirtsideli* 1300

Carbon and Nitrogen Compounds and Emission of Greenhouse Gases in Ancient
and Modern Soils of the Arkaim Reserve in the Steppe Trans-Ural Region

K. Inubushi, V. E. Prikhodko, Kh. Nagano, and D. V. Manakhov 1306

Fractionation and Mobilization of Toxic Elements in Floodplain Soils from Egypt,
Germany, and Greece: a Comparison Study

Sabry M. Shaheen, Jörg Rinklebe, and Christos D. Tsadilas 1317

Soil Physics

Temperature Regimes of Northern Taiga Soils in the Isolated Permafrost Zone
of Western Siberia

*O. Yu. Goncharova, G. V. Matyshak, A. A. Bobrik,
N. G. Moskalenko, and O. E. Ponomareva* 1329

Soil Biology

The Biological Activity of Chernozems in the Central Caucasus Mountains
(Terskii Variant of Altitudinal Zonality), Kabardino-Balkaria

F. V. Gedgafova, T. S. Uligova, O. N. Gorobtsova, and R. Kh. Tembotov 1341

Seasonal Dynamics of the Microbiome of Chernozems
of the Long-Term Agrochemical Experiment in Kamennaya Steppe

T. I. Chernov, A. K. Tkhakakhova, E. A. Ivanova, O. V. Kutovaya, and V. I. Turusov 1349

Agricultural Chemistry and Soil Fertility

The Content of Macro- and Microelements and the Phosphatase Activity of Soils
under a Varied Plant Cultivation Technology

A. Bartkowiak, J. Lemanowicz, and M. Kobierski 1354

Distribution of Active Organic Matter in the Soil Profiles of Natural
and Agricultural Ecosystems

A. K. Khodzhaeva and V. M. Semenov

1361

**Degradation, Rehabilitation,
and Conservation of Soils**

Chemical Contamination and Transformation of Soils
in Hydrocarbon Production Regions

I. V. Zamotaev, I. V. Ivanov, P. V. Mikheev, and A. N. Nikonova

1370

Genotoxicity and Contamination of Natural and Anthropogenically Transformed Soils
of the City of Rostov-on-Don with Heavy Metals

*S. N. Gorbov, O. S. Bezuglova, T. V. Varduni,
A. V. Gorovtsov, S. S. Tagiverdiev, and Yu. A. Hildebrant*

1383

Physical, Chemical, and Biological Properties of Soils in the City of Mariupol, Ukraine

O. G. Shekhovtseva and I. A. Mal'tseva

1393
