Case report

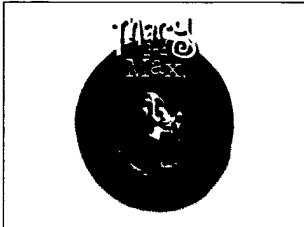

Fei Chen, Sandra Richard, Géraldine d'Andrea, Christophe Grandjean, Chin B. Eap

94 **Wolff-Parkinson-White syndrome in an adolescent with depression**

Because little is known about the use of selective serotonin reuptake inhibitors in youths with preexisting cardiac disease, a 15-year-old adolescent with asymptomatic WPW syndrome and severe depressive symptoms is reported in this article.

Film analysis

97

Michel Godel, Thibault Corpataux, Gerard Calzada

Le syndrome d'Asperger dans le film *Mary and Max*

Mary and Max est un film d'animation réalisé en pâte à modeler par l'Australien Adam Elliot; un film qui participe à la construction d'une société moins stigmatisante et plus tolérante.
