

Contents

- 131 Endogenous corticosterone elevations five hours prior to ovulation do not influence offspring sex ratios in Zebra Finches**
A.E. Gam and K.J. Navara
- 139 New microsatellite markers for two sympatric tinamou species, the Ornate Tinamou (*Nothoprocta ornata*) and Darwin's Nothura (*Nothura darwinii*)**
Lina Maria Giraldo Deck, Jan Christian Habel, Manuel Curto, Martin Husemann, Sarah Sturm, Álvaro Garitano-Zavala and Harald Meimberg
- 147 Effects of exposure to monochromatic light on pigeon squab performance and growth-related hormones**
Y. Wang, W. Cao, B. Li, J. Ding and H. Yang
- 152 Relationship between blood haemoglobin and glucose concentrations in adult Great Tits (*Parus major*) and Blue Tits (*Cyanistes caeruleus*)**
Adam Kaliński, Mirosława Bańbura, Michał Gładalski, Marcin Markowski, Joanna Skwarska, Jarosław Wawrzyniak, Piotr Zieliński, Iwona Cyżewska and Jerzy Bańbura
- 159 Wind patterns affect migration flyways and flock size of a soaring bird over sea**
Nicolantonio Agostini, Marco Gustin, Jost von Hardenberg and Michele Panuccio
- 167 Weather mediated impacts on the breeding output of an Afro-Palaearctic migratory waterbird**
Camilo Carneiro, Edna Correia, David Gonçalves, Rui Brito, António Luís and José A. Alves
- 174 Plasticity and stereotypy in avian foraging during secondary succession in temperate forests**
Merrilyn Serong and Alan Lill
- 195 Development of novel microsatellite markers for the Northern Goshawk (*Accipiter gentilis*) and their utility in cross-species amplification**
Christy L. Haughey, George K. Sage, Gabriel R. DeGange, Sarah A. Sonsthagen and Sandra L. Talbot
- 200 Variation in viral shedding patterns between domestic and wild terrestrial birds infected experimentally with reassortant avian influenza virus (H9N2)**
Sajid Umar, Abdul Rehman, Sajjad Asif, Muhammad Usman, Muhammad Atif, Shahzad Ali, Muhammad Tanveer Munir, Asif Ali, Muhammad Shahzad and Muhammad Ali Abdullah Shah
- 207 Comparison of extenders for liquid storage of Indian Red Jungle Fowl (*Gallus gallus murghi*) spermatozoa**
Bushra Allah Rakha, Muhammad Sajjad Ansari, Iftikhar Hussain, Maqsood Anwar, Shamim Akhter and Elizabeth Blesbois
- 213 Avian News**
- 215 Avian Conference Diary**
