Vol. 49, No. 9, 2016

A simultaneous English language translation of this journal is available from Pleiades Publishing, Ltd.
Distributed worldwide by Springer. *Eurasian Soil Science* ISSN 1064-2293.

Genesis and Geography of Soils

- Formalized Classification of Moss Litters in Swampy Spruce Forests
of Intermontane Depressions of Kuznetsk Alatau
T. T. Efremova, A. F. Avrova, and S. P. Efremov 969
- The Creation of Digital Thematic Soil Maps at the Regional Level
(with the Map of Soil Carbon Pools in the Usa River Basin as an Example)
A. V. Pastukhov, D. A. Kaverin, and V. M. Shchanov 979
- Reconstruction of Climate, Soil, and Vegetation Conditions of the Srubnaya Cultural Epoch
on the Basis of Kurgan Studies in the Cis-Ural Forest-Steppe of the Republic of Bashkortostan
V. E. Prikhod'ko, Ye. P. Rohozin, and M. S. Chaplygin 988
-

Soil Chemistry

- Hydrocarbon Status of Soils under Atmospheric Pollution from a Local Industrial Source
*A. N. Gennadiev, A. P. Zhidkin, Yu. I. Pikovskii,
R. G. Kovach, T. S. Koshovskii, and N. I. Khlynina* 1003
- Soil Organic Matter in the Moscow State University Botanical Garden
on the Vorob'evy Hills
M. S. Rozanova, T. V. Prokof'eva, L. V. Lysak, and A. A. Rakhleeva 1013
-

Soil Physics

- Interpretation of Data on the Aggregate Composition of Typical Chernozems
under Different Land Use by Cluster and Principal Component Analyses
V. A. Kholodov, N. V. Yaroslavtseva, V. I. Lazarev, and A. S. Frid 1026
- Color Estimation of Forest-Steppe Soils by Digital Photography under Laboratory Conditions
A. A. Valeeva, A. B. Aleksandrova, and G. F. Koposov 1033
-

Mineralogy and Micromorphology of Soils

- Spatial Distribution of Mineral Components in Microcombinations of Agrogrey Soils
with the Second Humus Horizon in the Vladimir Opolie Area
N. P. Chizhikova and D. V. Karpova 1038
-

Agricultural Chemistry and Soil Fertility

- Separation of Agroclimatic Areas for Optimal Crop Growing within the Framework
of the Natural-Agricultural Zoning of Russia
D. S. Bulgakov, D. I. Rukhovich, E. A. Shishkonakova, and E. V. Vil'chevskaya 1049
-

Soil Reclamation

- Deep Reclamation Loosening of Soils: State of the Problem, Results of Research,
Prospects of Application, and Degradation Changes
F. R. Zaidel'man 1061
-

Degradation, Rehabilitation and Conservation of Soils

Approaches to Assessing the Risk of Chemical Contamination of Urban Soils

O. A. Makarov and A. A. Makarov

1075

Soil Biology

Effect of Forest and Soil Type on Microbial Biomass Carbon and Respiration

Hashem Habashi

1084
