## DISEASES

- In vitro* growth characteristics of *Fusarium langsethiae* isolates recovered from oats and wheat grain in the UK  
*S. M. Imathiu, R. V. Ray, M. Back, M. Hare and S. G. Edwards* ..... 159
- Bacterial diseases of wheat caused by *Xanthomonas* sp. in the Southern Ural: identification issues  
*A. P. Glinushkin, O. O. Beloshapkina, A. A. Solovykh, V. S. Lukyantsev, A. A. Batmanova, G. V. Sudarenkov and J. Molnár* ..... 171
- Some aspects of the distribution of *Fusarium* on cereals of Russia  
*M. I. Kiseleva, A. V. Ovsyankina, T. M. Kolomiets, N. S. Zhemchuzhina and A. P. Glinushkin* ..... 183

## INSECT PESTS

- A faunistic survey on the hover flies (Diptera: Syrphidae) of Golestan, Mazandaran and Semnan Provinces, Iran  
*N. Samin, H. Ghahari and J. Bennewicz* ..... 193
- Life table parameters and digestive enzyme activities in *Chrysodeixis chalcites* (Esper) (Lepidoptera: Noctuidae) fed on some commercial cultivars of tomato  
*M. Mardani-Talaei, A. Zibaei and V. Rahimi* ..... 207
- New records of jumping plant-lice from Hungary (Hemiptera: Psylloidea)  
*G. Ripka and Gy. Csóka* ..... 219
- Aphid species colonizing mugwort (*Artemisia vulgaris* L.) along the Hungarian highways  
*Zs. Baskó* ..... 229
- Investigation on parasitoids of bark beetles with new host record (*Taphrorychus lenkoranus* Reitter, 1913 (Curculionidae: Scolytinae)) from Northern forests of Iran  
*S. Amini, J. Nozari, R. Rahati and V. Etemad* ..... 235
- An improved female-targeted semiochemical lure for the European corn borer *Ostrinia nubilalis* Hbn.  
*M. Tóth, I. Szarukán, A. Nagy, T. Ábri, V. Katona, Sz. Körösi, T. Nagy, Á. Szarvas and S. Koczor* ..... 247
- Microlepidoptera caught in traps baited with lures containing pear ester and acetic acid in Hungary  
*J. K. Jósvai, S. Koczor, Cs. Szabóky, M. Ladányi and M. Tóth* ..... 255

*Sancassania chelone* Oudemans, 1916 (Acari: Acaridae) associated with pest beetles:

New records and new hosts in Hungary

*J. Kontschán, V. Kerecsi, B. Kiss and M. Tóth* ..... 267

Snout beetles (Coleoptera: Curculionidae) of East Azerbaijan, Iran

*R. Rahati, J. Nozari and S. Khaghaninia* ..... 273
