

**Agricultural Economics**

- L. Bendlin, C. Cláudio Seuff, C. Kudlawicz-Franco, Al. Souza, C. P. Da Veiga and L. C. Duclós. Agribusiness Management of *Physalis peruviana* L. Fruit in Brazil ..... 691
- M. Lanfranchi, C. Giannetto and V. Dimitrova. Evolutionary Aspects of Coffee Consumers' Buying Habits: Results of a Sample Survey ..... 705
- N. Verter. Cocoa Export Performance in the World's Largest Producer ..... 713

**Ecology, Agrochemistry and Soil Science**

- J. Wierzbowska, S. Sienkiewicz, S. Krzebietke and P. Sternik. Sewage Sludge as a Source of Nitrogen and Phosphorus for Virginia Fanpetals ..... 722
- L. Malinova and D. Karatoteva. Cation Exchange Properties of Soils from Carbonate Landscape in the Central Balkan National Park ..... 728
- A. Z. Papazafeiriou, Ch. Lakis, S. Stefanou, M. Yiakoulaki, P. Mpokos and K. Papanikolaou. Trace Elements Content of Plant Material Growing on Alkaline Organic Soils and its Suitability for Smallruminant Extensive Farming ..... 733
- D. Simeonovska-Nikolova. Attraction-Avoidance Response of Mound-Building Mouse, *Mus spicilegus* in Agroecosystems to Conspecific and Heterospecific Odours ..... 740

**Plant Science**

- L. Georgieva, I. Tsvetkov, M. Georgieva and V. Kondakova. New Protocol for *in vitro* Propagation of Berry Plants by TIS Bioreactor ..... 745
- P. Rusek, M. Mikos-Szymańska, M. Karsznia, U. Sienkiewicz-Cholewa and J. Igras. The Effectiveness of Nitrogen-Phosphorus Fertilization in Winter Wheat (*Triticum aestivum* L.) Cultivation ..... 752
- S. Ünal, H. K. Firincioglu and Z. Mutlu. Improvement of Winter Hardiness in Common Vetch Lines for Semi-Arid Conditions ..... 756
- Zh. P. Yordanova, M. A. Rogova and V. M. Kapchina-Toteva. *In vitro* Propagation of the Balkan Endemic Species *Verbascum eriophorum* Godr. ..... 767
- Z. Ciğdem, M. İsfendiyaroğlu and E. Özeker. Effects of Chemical Fruit Thinning on Fruit Yield and Quality in 'Gemlik' Olive (*Olea europaea* L.) ..... 772
- M. P. Marcheva. Evaluation of Morphology, Productive Potential, Oil Content and Composition of Plant Genetic Resources of *Camelina sativa* ..... 778

**Plant Genomics**

- M. Revalska, V. Vassileva, G. Zehirov and A. Iantcheva. Evaluation of the Function and Expression Pattern of *Medicago truncatula* Auxin Response Factor B3 after Heterologous Expression in *Arabidopsis thaliana* ..... 783

**Plant Pathology and Protection**

- T. D. Vatchev, S. M. Bistrichanov and I. T. Yanashkov. First report of root rot caused by *Pythium aphanidermatum* and *Pythium* F-Group on Hydroponically Grown Pepper in Bulgaria. Short Communication ..... 794

## Contents (continues)

### Animal Science

- O. Hanuš, M. Klimešova, P. Roubal, E. Samkova, D. Falta, M. Šlachta, L. Hasoňova and I. Němečková. Milk Fat Free Fatty Acids in Dependence on Health of Dairy Cows..... 796
- Ch. Roukos. Seasonal and Altitudinal Variations in Nutritional Quality of Kermes Oak (*Quercus coccifera* L.) in North-west Greece and Extensive Goat Farming ..... 804
- G. Yordanova, J. Nakev, R. Nedeva, Y. Marchev, T. Popova, E. Kistanova and Al. Simkus. Effect of the Addition of *Spirulina platensis* on the Carcass Traits, Chemical Composition and Physical Characteristics of *M. longissimus dorsi* in Fattening Pigs ..... 815
- J. Řiha and J. Bezdiček. Breeding Value and their Relationship to the Cutting Parts in Beef Bull Progeny ..... 821
- G. Cilev, Z. Gacovski, B. Petrovska and N. Pacinovski. The Effect of Partial Maize Substitution with By-Products in Piglet Nutrition. I. Productive Results ..... 829

### Veterinary Medicine

- A. Hamidi and D. Sylejmani. Antimicrobial Susceptibility of Staphylococci Isolated from Clinical Mastitis in Dairy Cows in Kosovo..... 836

### Food Science and Technologies

- B. Ye. Yerenova, Yu. Pronina and E. B. Medvedkov. Production of Melon-Based Juices with Enriching Herbal Supplements ..... 840
- S. Ivanova, G. Marinova and V. Batchvarov. Comparison of Fatty Acid Composition of Various Types of Edible Oils ..... 849
- G. Toncheva, K. Nikolova, D. Boyadzhiev, I. Alexieva, D. Georgieva, G. Antova, A. Aladjadjyan and D. Buhalova. Differentiation of Bulgarian Wild Fruits According to their Mineral Content..... 857

### Agricultural Technologies

- S. Nukeshev, K. Eskhozhin, D. Karaivanov, T. Sankibaev and N. Kakabayev. Theoretical and Experimental Substantiation of the Design of an Opener for Intrasoil Broadcast Sowing of Grain Crops..... 862
