## Soil Chemistry

- Analysis of the Indices of Acidity in the Soil Profile and Their Relationship with Pedogenesis  
*Yu. A. Kokotov, E. Yu. Sukhacheva, and B. F. Aparin* 1
- The Pool of Organic Carbon and Its Isotopic Composition in Cryomorphic Quasi-gley Chernozems of the Trans-Baikal Region  
*Yu. B. Tsybenov, G. D. Chimitdorzhieva, R. A. Egorova, and K. B. Gongal'skii* 8
- Radiogeochemistry of Kamchatka Soils  
*L. V. Zakharikhina and Yu. S. Litvinenko* 15
- The Contents of Alkali and Alkaline Earth Metals in Soils of the Southern Cis-Ural Region  
*I. G. Asylbaev and I. K. Khabirov* 24
- Heavy Metals in Ordinary Chernozems on Slopes of Different Gradients and Aspects  
*D. V. Dubovik and E. V. Dubovik* 33
- 

## Soil Physics

- Distribution of Transformed Organic Matter in Structural Units of Loamy Sandy Soddy-Podzolic Soil  
*B. M. Kogut, M. A. Yashin, V. M. Semenov, T. N. Avdeeva, L. G. Markina, S. M. Lukin, and S. I. Tarasov* 45
- 

## Soil Biology

- Microbial Communities of Buried Soils of the Tsaritsyn Defense Line (1718–1720)  
*T. S. Demkina, N. T. Khomutova, N. T. Kuznetsova, A. A. Kontoboitseva, and A. V. Borisov* 56
- The Structure and Functions of Bacterial Communities in an Agrocenosis  
*T. G. Dobrovol'skaya, K. A. Khusnetdinova, N. A. Manucharova, and P. N. Balabko* 70
- Quantification of Soil Fauna Metabolites and Dead Mass as Humification Sources in Forest Soils  
*O. G. Chertov* 77
- A Comparative Assessment of the Biological Properties of Soils in the Cultural and Native Cenoses of the Central Caucasus (Using the Example of the Terskii Variant of Altitudinal Zonality in Kabardino-Balkaria)  
*O. N. Gorobtsova, F. V. Gedgafova, T. S. Uligova, and R. Kh. Tembotov* 89
-

## **Agricultural Chemistry and Soil Fertility**

Changes in the Fertility of a Leached Chernozem under Different Primary Tillage Technologies

*V. A. Korolev, A. I. Gromovik, and O. K. Borontov*

---

95

## **Degradation, Rehabilitation, and Conservation of Soils**

Specific Features of the Morphology and Chemical Properties of Coarse-Textured Postagrogenic Soils of the Southern Taiga, Kostroma Oblast

*V. M. Telesnina, I. E. Vaganov, A. A. Karlsen, A. E. Ivanova, M. A. Zhukov, and S. M. Lebedev*

102

Cadastral Valuation of Land Contaminated with Radionuclides

*A. N. Ratnikov, P. M. Sapozhnikov, N. I. Sanzharova, D. G. Sviridenko, T. L. Zhigareva,  
G. I. Popova, A. V. Panov, and I. Yu. Kozlova*
