

NEMATOTOLOGY 18 (1), 2016  
Also available online: [brill.com/nemy](http://brill.com/nemy)

CONTENTS

**Forum article**

- BERT, W., SLOS, D., LEROUX, O. & CLAEYS, M.— Cryo-fixation and associated developments in transmission electron microscopy: a cool future for nematology . . . . . 1-14

**Articles**

- BIELA, F., DIAS-ARIEIRA, C.R., MACHADO, A.C.Z., SANTANA-GOMES, S.M., CARDOSO, M.R., HERNANDES, I. & MATTEI, D.— Host status and phenotypic diversity of rice genotypes in relation to *Pratylenchus brachyurus* resistance . . . . . 15-21
- STURHAN, D.— On the presence or absence of phasmids in males of Heteroderidae (Tylenchida) . . . . . 23-27
- ESMAELI, M., HEYDARI, R., CASTILLO, P. & PALOMARES-RIUS, J.E.— *Nothotylenchus persicus* n. sp. (Nematoda: Anguinidae) from Kermanshah province, Iran . . . . . 29-37
- WEBER, S. & TRAUNSPURGER, W.— Effects of juvenile fish predation (*Cyprinus carpio* L.) on the composition and diversity of free-living freshwater nematode assemblages . . . . . 39-52
- SHAVER, B.R., MARCHANT, S., MARTIN, S.B. & AGUDELO, P.— 18S rRNA and COI haplotype diversity of *Trichodorus obtusus* from turfgrass in South Carolina . . . . . 53-65
- VAN DEN BERG, E., PALOMARES-RIUS, J.E., VOVLAS, N., TIEDT, L.R., CASTILLO, P. & SUBBOTIN, S.A.— Morphological and molecular characterisation of one new and several known species of the reniform nematode, *Rotylenchulus* Linford & Oliveira, 1940 (Hoplolaimidae: Rotylenchulinae), and a phylogeny of the genus . . . . . 67-107
- IVANOVA, E., LUC, P.V. & SPIRIDONOV, S.— *Neoalioionema tricaudatum* gen. n., sp. n. (Nematoda: Alioionematidae) associated with a cyclophorid snail in Cuc Phuong Natural Park, Vietnam . . . . . 109-120
