Articles

- MATTOS, V.S., FURLANETTO, C., SILVA, J.G.P., DOS SANTOS, D.F., ALMEIDA, M.R.A.,
CORREA, V.R., MOITA, A.W., CASTAGNONE-SERENO, P. & CARNEIRO, R.M.D.G.—
Meloidogyne spp. populations from native Cerrado and soybean cultivated areas: genetic
variability and aggressiveness..... 505-515
- ÁLVAREZ-ORTEGA, S., NGUYEN, T.A.D., ABOLAFIA, J., VU, T.T.T., BONKOWSKI, M. &
PEÑA-SANTIAGO, R.— Three new species of *Sectonema* Thorne, 1930 (Dorylaimida:
Aporcelaimidae) from Vietnam 517-536
- MILJUTIN, D.M. & MILJUTINA, M.A.— Review of *Acantholaimus* Allgén, 1933
(Nematoda: Chromadoridae), a genus of marine free-living nematodes, with a tabular key
to species 537-558
- PALOMARES-RIUS, J.E., CANTALAPIEDRA-NAVARRETE, C., ARCHIDONA-YUSTE, A. &
CASTILLO, P.— *Hoplotylus femina* s' Jacob, 1960 (Nematoda: Pratylenchidae) from Spain
with molecular phylogenetic relationships inferred by D2-D3 expansion fragments of
28S and the partial 18S rRNA gene sequences 559-569
- MALAN, A.P., KNOETZE, R. & TIEDT, L.R.— *Steinernema nguyeni* n. sp. (Rhabditida:
Steinernematidae), a new entomopathogenic nematode from South Africa 571-590
- ESMAEILI, M., HEYDARI, R., CASTILLO, P., ZIAIE BIDHENDI, M. & PALOMARES-RIUS,
J.E.— Molecular characterisation of two known species of *Paratylenchus* Micoletzky,
1922 from Iran with notes on the validity of *Paratylenchus audriellus* Brown, 1959 591-604
- SILVA, A.P., PARRA, P.P., CAMPOS, V.P., COSTA, S.S., VICENTE, C.S.L., FERREIRA, L.G.,
SOUZA, R.M. & MOTA, M.— Genetic diversity of *Bursaphelenchus cocophilus* in South
America 605-614
- LAZAROVA, S.S., BROWN, D.J.F., OLIVEIRA, C.M.G., FENTON, B., MACKENZIE, K.,
WRIGHT, F., MALLOCH, G. & NEILSON, R.— Diversity of endosymbiont bacteria
associated with a non-filarial nematode group 615-623
- Short communication
- XU, C.-L., ZHAO, C.-B., DING, S., ZHANG, J.-F. & XIE, H.— A modified crude DNA
preparation for direct PCR reaction of single plant-parasitic nematodes 625-628
