

Aquatic Ecosystem Health & Management

The official journal of the Aquatic Ecosystem Health and Management Society

Volume 19, Number 2

April–June 2016

CONTENTS

State of Hamilton Harbour ecosystem: Health, remediation and restoration	
Editorial	101
Preface	104
Introduction	
Hamilton Harbour Remedial Action Plan process: Connecting science to management decisions	107
<i>J. D. Hall and K. M. O'Connor</i>	
Physical-chemical regime	
Physical processes affecting water quality in Hamilton Harbour	114
<i>R. R. Yerubandi, L. Boegman, H. Bolkhari, and V. Hiriart-Baer (Canada)</i>	
Hamilton Harbour over the last 25 years: Insights from a long-term comprehensive water quality monitoring program	124
<i>V. P. Hiriart-Baer, D. Boyd, T. Long, M. N. Charlton, and J. E. Milne (Canada)</i>	
Evaluation of the Remedial Action Plan goal for dissolved oxygen in Hamilton Harbour: A goal based on habitat requirements for Cisco	134
<i>J. N. Bowlby, V. P. Hiriart-Baer, E. A. Blukacz-Richards, R. R. Yerubandi, S. E. Doka, T. L. Long, and K. M. O'Connor (Canada)</i>	
Toxic contaminant dynamics	
Trends in Hamilton Harbour suspended sediment quality	141
<i>D. A. Burniston, J. Jia, M. N. Charlton, L. Thiessen, B. E. McCarry, and C. H. Marvin (Canada)</i>	
Prioritization of sites for sediment remedial action at Randle Reef, Hamilton Harbour	150
<i>D. Milani and L. C. Grapentine (Canada)</i>	

(Continued on inside back cover)

Improvements in fish polychlorinated biphenyl and other contaminant levels in response to remedial actions in Hamilton Harbour, Ontario, Canada	161
<i>M. R. Neff, S. Stefanoff, and S. P. Bhavsar (Canada)</i>	
Long-term trends in legacy contaminants in aquatic wildlife in the Hamilton Harbour Area of Concern	171
<i>K. D. Hughes, S. R. de Solla, D. V. C. Weseloh, and P. A. Martin (Canada)</i>	
Contaminant concentrations and biomarkers in 21-day old Herring Gulls (<i>Larus argentatus</i>) and Double-crested Cormorants (<i>Phalacrocorax auritus</i>) from eastern Lake Ontario, and from Hamilton Harbour in western Lake Ontario in 1989 and 1990	181
<i>C. A. Bishop, S. Trudeau, D. Janz, and K. D. Hughes (Canada)</i>	
Biotic community dynamics	
Population trends of colonial waterbirds nesting in Hamilton Harbour in relation to changes in habitat and management	192
<i>C. V. Zanchetta, D. J. Moore, D. V. C. Weseloh, and J. S. Quinn (Canada)</i>	
The fish community of Hamilton Harbour, Lake Ontario: Status, stressors, and remediation over 25 years	206
<i>C. M. Boston, R. G. Randall, J. A. Hoyle, J. L. Mossman, and J. N. Bowlby (Canada)</i>	
Aquatic vegetation trends from 1992 to 2012 in Hamilton Harbour and Cootes Paradise, Lake Ontario	219
<i>K. E. Leisti, T. Thejßmejer, S. E. Doka, and A. Court (Canada)</i>
