Articles

- KANZAKI, N., SAKAMOTO, H. & MAEHARA, N.— *Diplogasteroides nix* n. sp. (Nematoda: Diplogastridae), a cryptic species related to *D. andrassyi*, isolated from *Monochamus urussovii* (Coleoptera: Cerambycidae) from Hokkaido, Japan, with remarks on body surface structures 753-773
- KANZAKI, N., GIBLIN-DAVIS, R.M., GONZALEZ, R., TRUJILLO, Y. & HAJEK, A.E.— Tylenchid entomoparasites isolated from *Spondylis buprestoides* (L.) and *Asemum striatum* (L.) (Coleoptera: Cerambycidae) 775-780
- MOKRINI, F., WAEYENBERGE, L., VIAENE, N., ABBAD ANDALOUSSI, F. & MOENS, M.— Diversity of root-lesion nematodes (*Pratylenchus* spp.) associated with wheat (*Triticum aestivum* and *T. durum*) in Morocco 781-801
- LETTICE, E.P. & JONES, P.W.— Effect of soil and soil bacteria on hatching activity towards potato cyst nematodes (*Globodera* spp.) 803-810
- ÁLVAREZ-ORTEGA, S. & PEÑA-SANTIAGO, R.— *Aporcella charidemiensis* sp. n. (Dorylaimida: Aporcelaimidae) from the southern Iberian Peninsula, with comments on the phylogeny of the genus 811-821
- LIU, J., ZHU, W., HAMID, M.I., CHENG, X., WANG, N. & SUN, J.— Population dynamics and biocontrol efficacy of the nematophagous fungus *Hirsutella minnesotensis* in pot assay 823-830
- MONTEIRO, J.M.S., CARES, J.E., GOMES, A.C.M.M., CORREA, V.R., MATTOS, V.S., SANTOS, M.F.A., ALMEIDA, M.R.A., SANTOS, C.D.G., CASTAGNONE-SERENO, P. & CARNEIRO, R.M.D.G.— First report of, and additional information on, *Meloidogyne konaensis* (Nematoda: Meloidogyninae) parasitising various crops in Brazil 831-844
- HU, W., CHEN, S. & LIU, X.— Effect of temperature treatment on survival of *Heterodera glycines* and its associated fungi and bacteria 845-855
- SHIVAKUMARA, T.N., PAPOLU, P.K., DUTTA, T.K., KAMARAJU, D., CHAUDHARY, S. & RAO, U.— RNAi-induced silencing of an effector confers transcriptional oscillation in another group of effectors in the root-knot nematode, *Meloidogyne incognita* 857-870

Short communications

- SANTANA-GOMES, S. DE M., DIAS-ARIEIRA, C.R., FERREIRA, J.C.A., DÉBIA, P.J.G., BIELA, F. & CARDOSO, M.R.— Penetration of *Pratylenchus zeae* in antagonistic plants .. 871-873
- ABOLAFIA, J. & PEÑA-SANTIAGO, R.— On the identity of the genera *Shahnema* Siddiqi, 2014 and *Baldwinema* Atighi, Pourjam, Bert, Pedram, Ghaemi & Panahandeh, 2015, with proposal for their synonymy 875-878
