### Special Issue on Geodesign—Changing the world, changing design

Guest Editors: Frederick R. Steiner and Allan W. Shearer

Geodesign—Changing the world, changing design F.R. Steiner and A.W. Shearer (USA).....	1
The evolution of geodesign as a design and planning tool W. Li and L.-A. Milburn (Pomona, USA).....	5
Geodesign scenarios M.-C. Lee (Charlotte, NC, USA).....	9
Technology in geodesign S.M. Ervin (USA).....	12
Relinquishing a bit of control: Questions about the computer's role in geodesign D. Tulloch (New Brunswick, NJ, USA).....	17
An education in geodesign T. Fisher (Minneapolis, MN, USA).....	20
On change and geodesign C. Steinitz (USA).....	23
Anticipating surprise: Using agent-based alternative futures simulation modeling to identify and map surprising fires in the Willamette Valley, Oregon USA D. Hulse, A. Branscomb, C. Enright, B. Johnson, C. Evers (Eugene, OR, USA), J. Bolte (Corvallis, OR, USA) and A. Ager (Missoula, MT, USA).....	26
Geodesigning landscape linkages: Coupling GIS with wildlife corridor design in conservation planning R.M. Perkl (Tucson, AZ, USA).....	44
Organizing and facilitating Geodesign processes: Integrating tools into collaborative design processes for urban transformation U. Wissen Hayek, T. von Wirth, N. Neuenschwander and A. Grêt-Regamey (Zurich, Switzerland).....	59
Collaborative Geodesign to advance multifunctional landscapes C.S. Slotterback, B. Runck, D.G. Pitt, L. Kne (Minneapolis, MN, USA), N.R. Jordan, D.J. Mulla (St. Paul, MN, USA), C. Zerger (Minneapolis, MN, USA) and M. Reichenbach (Cloquet, MN, USA).....	71
Geodesign in Developing Countries: The example of the Master Plan for Wulingyuan National Scenic Area, China G. Huang (Charlottesville, VA, USA) and N. Zhou (Nanjing, China).....	81
Geodesign parsed: Placing it within the rubric of recognized design theories K. Foster (USA).....	92
A Geodesign approach to environmental design education: Framing the pedagogy, evaluating the results B. Muller (Boulder, CO, USA) and T. Flohr (USA).....	101
Metaplaning: About designing the Geodesign process M. Campagna (Cagliari, Italy).....	118
