Vol. 49, No. 12, 2016

Genesis and Geography of Soils

- Buried Paleosols of the Upper Paleolithic Multilayered Site Kostenki-1
B. F. Aparin, N. I. Platonova, E. Yu. Sukhacheva, and A. E. Dudin 1329
- Morphology, Properties, and Regimes of Migrational–Mycelial Agrochernozems with Different Ground Moistening (Belgorod Oblast)
I. I. Lebedeva, G. S. Bazykina, A. M. Grebennikov, L. G. Smirnova, and S. I. Tyutyunov 1344
- The Effect of Geocryological Conditions and Soil Properties on the Spatial Variation in the CO₂ Emission from Flat-Topped Peat Mounds in the Isolated Permafrost Zone of Western Siberia
A. A. Bobrik, O. Yu. Goncharova, G. V. Matyshak, I. M. Ryzhova, and M. I. Makarov 1355
- Slope Gradient and Shape Effects on Soil Profiles in the Northern Mountainous Forests of Iran
M. Fazlollahi Mohammadi, S. G. H. Jalali, Y. Kooch, and D. Said-Pullicino 1366
-

Soil Physics

- Contact Angles at the Water–Air Interface of Hydrocarbon-Contaminated Soils and Clay Minerals
O. A. Sofinskaya, A. V. Kosterin, and E. A. Kosterina 1375
- Theoretical and Experimental Substantiation of a Thermogravimetric Method for Assessing the Water-Retention Capacity and Specific Surface Area of Disperse Systems
A. V. Smagin, N. B. Sadovnikova, A. S. Bashina, A. V. Kirichenko, and V. G. Vityazev 1382
-

Soil Biology

- The Structure of Mesofauna Complexes in Soils of the Forest-Park Zone of Moscow and the Prioksko-Terrasnyi Biospheric Reserve
A. Yu. Buyvolova, A. A. Rakhleeva, Yu. A. Buyvolov, and E. P. Bykova 1392
- The Influence of Cryogenic Mass Exchange on the Distribution of Viable Microfauna in Cryozems
S. V. Gubin, A. V. Lupachev, A. V. Shatilovich, A. P. Myl'nikov, A. Yu. Ryss, and A. A. Veremeeva 1400
- The Effect of Salinization on the Biomass of Microorganisms in the Soils of Different Ages in the Forest-Steppe Zone of Western Siberia
M. V. Yakutin, L. Yu. Anopchenko, and V. S. Andrievskii 1414
-

Soil Mineralogy

- Diversity of Clay Minerals in Soils of Solonchic Complexes in the Southeast of Western Siberia
N. P. Chizhikova and N. B. Khitrov 1419
-

Degradation, Remediation, and Conservation of Soils

Vertical Distribution of ^{137}Cs in Alluvial Soils of the Lokna River Floodplain (Tula oblast)
Long after the Chernobyl Accident and Its Simulation

S. V. Mamikhin, V. N. Golosov, T. A. Paramonova, E. N. Shamshurina, and M. M. Ivanov

1432

On Inclusion of Ecosystem Services in the Assessment of Damage from Land Degradation

E. V. Tsvetnov, O. A. Makarov, A. S. Yakovlev, and E. V. Bondarenko

1443
