October 2016**

Red Rock and Rangelands—70th Annual SRM Meeting

- 233 **A History of Plant Improvement by the USDA-ARS Forage and Range Research Laboratory for Rehabilitation of Degraded Western U.S. Rangelands**
Jack Staub, Jerry Chatterton, Shaun Bushman, Douglas Johnson, Thomas Jones, Steve Larson, Joseph Robins, and Thomas Monaco
- 241 **USDA-ARS Poisonous Plant Research Laboratory: History and Current Research on Western North American Rangelands**
James A. Pfister, Daniel Cook, Kip E. Panter, Kevin D. Welch, and Lynn F. James
- 250 **The History and Overview of Utah's Grazing Improvement Program**
Ashley T. Longmore and Troy Forrest
- 256 **Lessons Learned from Bison Restoration Efforts in Utah on Western Rangelands**
Bill Bates and Kent Hersey
- 266 **Quaking Aspen in Utah: Integrating Recent Science with Management**
Paul C. Rogers and Samuel B. St. Clair
- 273 **Commercial Wildland Harvested Seed and the Utah Connection**
Ronald M. Stevenson

Research Articles

- 278 **Near-Real-Time Cheatgrass Percent Cover in the Northern Great Basin, USA, 2015**
Stephen P. Boyte and Bruce K. Wylie
- 285 **The Role of Cattle Grazing Management on Perennial Grass and Woody Vegetation Cover in Semiarid Rangelands: Insights From Two Case Studies in the Botswana Kalahari**
Edwin I. Mudongo, Tsholofelo Fusi, Richard W.S. Fynn, and Mpaphi C. Bonyongo
- 292 **Temperament Affects Rangeland Use Patterns and Reproductive Performance of Beef Cows**
Laura E. Goodman, Andrés F. Cibils, Robert L. Wesley, J. Travis Mulliniks, Mark K. Petersen, Eric J. Scholljegerdes, and Shad H. Cox

View Points

- 297 **Critical Evaluations of Vegetation Cover Measurement Techniques: A Response to Thacker et al. (2015)**
Jason W. Karl, Michael G. "Sherm" Karl, Sarah E. McCord, and Emily Kachergis
- 301 **FLPMA Turns Forty: Providing Bureau of Land Management with Long-Term Vision**
Joseph V.H. Ross

Departments

- 307 **Rangeland Ecology & Management, September 2016**
