ORIGINAL ARTICLES

- The impact of the kelp (*Laminaria hyperborea*) forest on the organic matter content in sediment of the west coast of Norway
Mohamed I. Abdullah, Stein Fredriksen and Hartvig Christie 151
- Diet of the small-spotted catshark *Scyliorhinus canicula* in the Aegean Sea (eastern Mediterranean)
Vasiliki Kousteni, Paraskevi K. Karachle and Persefoni Megalofonou 161
- Ovarian maturity, egg development, and offspring generation of the deep-water shrimp *Plesionika edwardsii* (Decapoda, Pandalidae) from three isolated populations in the eastern North Atlantic
Raül Triay-Portella, Raquel Ruiz-Díaz, José G. Pajuelo and José A. González 174
- Predator and prey: the role of the round goby *Neogobius melanostomus* in the western Baltic
Daniel Oesterwind, Christiane Bock, Anja Förster, Michael Gabel, Christina Henseler, Paul Kotterba, Marion Menge, Dennis Myts and Helmut M. Winkler 188
- Population density and growth of the newly introduced Atlantic rock crab *Cancer irroratus* Say, 1817 (Decapoda, Brachyura) in Iceland: a four-year mark-recapture study
Óskar Sindri Gíslason, Jónas P. Jónasson, Snæbjörn Pálsson, Jörundur Svavarsson and Halldór P. Halldórsson 198
- Effects of environmental factors on the abundances of the basket stars *Astrocaneum spinosum* and *Astrodictyum panamense* (Ophiuroidea: Gorgonocephalidae) in the northern Gulf of California, Mexico
María Dinorah Herrero-Pérezrul, Héctor Reyes-Bonilla and Rebeca Granja-Fernández 210
- A new hermit crab of the *Paguristes tortugae* complex (Crustacea: Anomura: Diogenidae), with a key to the western Atlantic species
Daniel José Marcondes Lima and William Santana 220
- Going down together: invasive host, *Charybdis longicollis* (Decapoda: Brachyura: Portunidae) and invasive parasite, *Heterosaccus dollfusi* (Cirripedia: Rhizocephala: Sacculinidae) on the upper slope off the Mediterranean coast of Israel
Gianna Innocenti, Gianluca Stasolla, Menachem Goren, Nir Stern, Ya'arit Levitt-Barmatz, Arik Diamant and Bella S. Galil 229
- Relative growth and size at onset of sexual maturity of the brown crab, *Cancer pagurus* in the Isle of Man, Irish Sea
Fikret Öndes, Michel J. Kaiser and Lee G. Murray 237
- Environment-specific shell shape variation in the boring mytilid *Leiosolenus patagonicus*
Federico Márquez, Antonella C. Frizzera and Nuria Vázquez 246
- BOOK REVIEW** 253
