**Forum article**

- RAE, R.— *Phasmarhabditis hermaphrodita* – a new model to study the genetic evolution of parasitism ..... 375-387

**Articles**

- WOOD, C., KENYON, D.M. & COOPER, J.M.— Allyl isothiocyanate shows promise as a naturally produced suppressant of the potato cyst nematode, *Globodera pallida*, in biofumigation systems ..... 389-402
- NEGRETTI, R.R.R.D., GOMES, C.B., MATTOS, V.S., SOMAVILLA, L., MANICA-BERTO, R., AGOSTINETTO, D., CASTAGNONE-SERENO, P. & CARNEIRO, R.M.D.G.— Characterisation of a *Meloidogyne* species complex parasitising rice in southern Brazil ... 403-412
- GU, J., TOMALAK, M., HE, J. & FANG, Y.— *Bursaphelenchus crenati* Rühm, 1956 (Tylenchina: Aphelenchoididae), a nematode associated with the Greater ash bark beetle, *Hylesinus crenatus* Fabricius, in dying ash, *Fraxinus excelsior* L., in Europe ..... 413-426
- DAVIES, K.A., YE, W., KANZAKI, N., CENTER, B., BARTHOLOMAEUS, F.W., HERRE, E.A., ESQUIVEL, A. & GIBLIN-DAVIS, R.M.— Four new species and five morphospecies of *Ficophagus* Davies & Bartholomaeus, 2015 (Nematoda: Aphelenchoididae) from *Ficus* subgenus *Urostigma* sect. *Americana* (Moraceae) in Central America ..... 427-461
- HEARNE, R., LETTICE, E.P. & JONES, P.W.— Interspecific and intraspecific competition in the potato cyst nematodes *Globodera pallida* and *G. rostochiensis* ..... 463-475
- ABDOLMALEKI, A., DASTJERDI, H.R., TANHA MAAFI, Z. & NASERI, B.— Cellular and humoral responses of *Pieris brassicae* to infection by *Steinernema feltiae*, its symbiont bacteria, and their metabolites ..... 477-487
- KIM, T., KIM, J. & PARK, J.-K.— *Acrobeloides varius* sp. n. (Rhabditida: Cephalobidae) from South Korea ..... 489-496

**Book review**

- PŮŽA, V.— Advances in entomopathogenic nematode taxonomy and phylogeny. Nematology Monographs and Perspectives, Vol. 12 (David J. Hunt & Khuong B. Nguyen (Eds)) ..... 497-498
