Genesis and Geography of Soils

- Soils of Loamy Watersheds of Coastal Tundra in the North of Yakutia:
Pedogenetic Conditions and Processes
S. V. Gubin and A. V. Lupachev 133
- Coatings in Cryoaridic Soils and Other Records of Landscape and Climate Changes
in the Ak-Khol Lake Basin (Tyva)
*M. A. Bronnikova, Yu. V. Konopliyanikova, A. R. Agatova, E. P. Zazovskaya,
M. P. Lebedeva, I. V. Turova, R. K. Nepop, I. G. Shorkunov, and A. E. Cherkinsky* 142
- Morphogenetic Features of Soils in the Cat Tien National Park, Southern Vietnam
O. S. Khokhlova, T. N. Myakshina, A. N. Kuznetsov, and S. V. Gubin 158
- Reconstruction of Late Glacial and Holocene Landscape-Climatic Changes
in the Central Selenga Middle Mountains Based on the Isotopic Composition
of Organic Matter
V. A. Golubtsov and Yu. V. Ryzhov 176
- Soil-Like Bodies on Mars
V. O. Targulian, N. S. Mergelov, and S. V. Goryachkin 185
- Short-Range Variation in a Wisconsin Soilscape (USA)
A. E. Hartemink, A. N. Gennadiyev, J. G. Bockheim, and N. Bero 198
-

Soil Chemistry

- Regularities of Extracting Humic Acids from Soils Using Sodium Pyrophosphate Solutions
L. G. Bakina, V. F. Drichko, and N. E. Orlova 210
-

Soil Physics

- Structural State of Migrational-Mycelial (Typical) Agrochernozems of the Kamennaya Steppe
on Plowed Fields of Different Ages
I. I. Lebedeva, Yu. I. Cheverdin, T. V. Titova, A. M. Grebennikov, and L. G. Markina 218
-

Soil Biology

- State of Microbial Communities in Paleosols Buried under Kurgans of the Desert-Steppe Zone
in the Middle Bronze Age (27th–26th Centuries BC) in Relation to the Dynamics
of Climate Humidity
T. E. Khomutova, T. S. Demkina, A. V. Borisov, and I. I. Shishlina 229
- Functional Activity of Soil Microbial Communities in Post-Fire Pine Stands of Tolyatti,
Samara Oblast
E. Yu. Maksimova, A. G. Kudinova, and E. V. Abakumov 239
-

Degradation, Rehabilitation, and Conservation of Soils

- Application of the Soil-Ecological Multiplicative Index to Assess Suitability
of Cis-Ural Chernozems for Cultivation with Due Account for Economic Parameters
S. V. Levykin, A. A. Chibilev, G. V. Kazachkov, and V. P. Petrishchev 246
-

Soil Erosion

Erosion of Agrochernozeems under Sprinkler Irrigation and Rainfall Simulation
in the Southern Forest-Steppe of Bashkir Cis-Ural Region

M. A. Komissarov and I. M. Gabbasova
