**Forum article**

- BRAECKMAN, B.P. & DHONDT, I.— Lifespan extension in *Caenorhabditis elegans* insulin/IGF-1 signalling mutants is supported by non-vertebrate physiological traits . . . . . 499-508

**Articles**

- POINAR JR, G.O.— A mermithid nematode, *Cretacimermis aphidophilus* sp. n. (Nematoda: Mermithidae), parasitising an aphid (Hemiptera: Burmitaphididae) in Myanmar amber: a 100 million year association . . . . . 509-513
- KANZAKI, N., GIBLIN-DAVIS, R.M., GONZALEZ, R. & MANZOOR, M.— Nematodes associated with palm and sugarcane weevils in South Florida with a description of *Acrostichus floridensis* n. sp. . . . . 515-531
- WHARTON, D.A., MARSHALL, C.J. & EGETER, B.— Comparisons between two Antarctic nematodes: cultured *Panagrolaimus* sp. DAW1 and field-sourced *Panagrolaimus davidi* . . . 533-542
- SEKIMOTO, S., UEHARA, T. & MIZUKUBO, T.— Characterisation of populations of *Heterodera trifolii* Goffart, 1932 (Nematoda: Heteroderidae) in Japan and their phylogenetic relationships with closely related species . . . . . 543-558
- IDE, T., KANZAKI, N., PARRA GIRALDO, P.P. & GIBLIN-DAVIS, R.M.— Loop-mediated isothermal amplification (LAMP) for detection of the red ring nematode, *Bursaphelenchus cocophilus* . . . . . 559-565
- VARELA, I., ABOLAFIA, J. & PEÑA-SANTIAGO, R.— On the identity of two close species of the genus *Makatinus* Heyns, 1965 (Nematoda, Dorylaimida, Aporcelaimidae) from tropical America, with a proposal for their synonymy . . . . . 567-573
- KANZAKI, N., GIBLIN-DAVIS, R.M., GONZALEZ, R., WOOD, L.A. & KAUFMAN, P.E.— *Sudhausia floridensis* n. sp. (Nematoda: Diplogastridae) isolated from *Onthophagus tuberculifrons* (Coleoptera: Scarabaeidae) from Florida, USA . . . . . 575-586
- GUO, W., YAN, X. & HAN, R.— Adapted formulations for entomopathogenic nematodes, *Steinernema* and *Heterorhabditis* spp. . . . . 587-596
- MAMIYA, Y. & SHOJI, T.— Histological observations by light and scanning electron microscopy of the Japanese pine sawyer, *Monochamus alternatus*, infected with the entomopathogenic nematode, *Steinernema carpocapsae* . . . . . 597-603
- ESMAEILI, M., HEYDARI, R., GOLHASAN, B. & KANZAKI, N.— *Aphelenchoides eldaricus* n. sp. (Nematoda: Aphelenchoididae) isolated from *Pinus eldarica* in western Iran . . . . . 605-616
- PERES, A.C.J., SALGADO, S.M.L., CORREA, V.R., SANTOS, M.F.A., MATTOS, V.S., MONTEIRO, J.M.S. & CARNEIRO, R.M.D.G.— Resistance of *Coffea arabica* genotypes against *Meloidogyne paranaensis* and *M. incognita* under controlled and field conditions . . 617-626
