Genesis and Geography of Soils

- Soil Catenas on Denudation Plains in the Forest-Tundra and Northern Taiga Zones of the Kola Peninsula
I. S. Urusevskaya 765
- The Impact of Clearcutting in Boreal Forests of Russia on Soils: A Review
A. A. Dymov 780
- Paleoecological Crisis in the Steppes of the Lower Volga Region in the Middle of the Bronze Age (III–II centuries BC)
T. S. Demkina, A. V. Borisov, V. A. Demkin, T. E. Khomutova, T. V. Kuznetsova, M. V. El'tsov, and S. N. Udal'tsov 791
-

Soil Chemistry

- Polycyclic Aromatic Hydrocarbons in Cryogenic Peat Plateaus of Northeastern Europe
A. V. Pastukhov, D. A. Kaverin, and D. N. Gabov 805
- Artificial and Natural Radionuclides in Soils of the Southern and Middle Taiga Zones of Komi Republic
V. A. Beznosikov, E. D. Lodygin, and I. I. Shuktomova 814
-

Soil Biology

- Distribution of Yeast Complexes in the Profiles of Different Soil Types
A. M. Glushakova, A. V. Kachalkin, A. V. Tiunov, and I. Yu. Chernov 820
- Effects of Tillage Technologies and Application of Biopreparations on Micromycetes in the Rhizosphere and Rhizoplane of Spring Wheat
I. G. Shirokikh, L. M. Kozlova, A. A. Shirokikh, F. A. Popov, and E. V. Tovstik 826
- Effect of Mechanical Fragmentation of Sphagnum on Population Density and Structure of Micromycete Communities
T. A. Semenova and A. V. Golovchenko 832
-

Degradation, Rehabilitation, and Conservation of Soils

- Extreme Pollution of Soils by Emissions of the Copper–Nickel Industrial Complex in the Kola Peninsula
G. M. Kashulina 837
- Spatial Variation of Peat Soil Properties in the Oil-Producing Region of Northeastern Sakhalin
D. N. Lipatov, A. I. Shcheglov, D. V. Manakhov, Yu. A. Zavgorodnyaya, M. S. Rozanova, and P. T. Brekhov 850
- Distribution and Migration of Radiocesium in Sloping Landscapes Three Years after the Fukushima-1 Nuclear Accident
M. A. Komissarov and S. Ogura 861
-
-
