

ORYZA

An International Journal on Rice

- Genetic variation and association of molecular markers for Fe toxicity tolerance in rice** 356-366
Swapnil Pawar, E Pandit, Arjun P, M Wagh, D Bal, S Panda, DN Bastia, SK Pradhan and IC Mohanty*
- Pyramiding of bacterial blight resistance genes in rice variety Jyothi (Ptb 39) through marker assisted selection** 367-375
Kabade Pramod Gorakhanath*, Rose Mary Francies and Patil Namrata Devidas
- Molecular and phenotypic screening for submergence tolerance in lowland rice** 376-384
RK Kar, TK Mishra, SK Pradhan, SR Das* and Ritu K Pandey
- Genetic divergence studies for drought tolerance in rice (*Oryza sativa* L.) using morphological traits and molecular markers** 385-391
Monika Singh, SK Singh, Prudhvi Raj Vennela*, DK Singh and Dinesh Kumar
- Grain yield performance and stability of rice variety mixtures and their component cultivars in monoculture** 392-400
J Meher* and SR Das
- Critical stages of thermo-sensitive genic male sterile lines of rice in Kerala** 401-406
T Rajesh*, Radhakrishnan VV, Pressana Kumari KT, Rose Mary Francies, Sreenivasan E, Ibrahim KK and Latha A
- Enhanced oxidative stress tolerance in rice plants is associated with membrane stability, pigment composition and scavenging of reactive oxygen species** 407-413
D Vijayalakshmi*, S Srividhya, P Vivitha and M Mohana Keerthi
- Carbon dynamics under different land use systems of a micro-watershed in Northern Transition Zone of Karnataka** 414-419
Sabyasachi Majumdar* and PL Patil

Nutrient fortification approaches for enrichment of zinc enrichment in rice grain	420-425
Ch S Rama Lakshmi, T Sreelatha, DV Ramana Reddy and P Surendrababu	
Impact of farm mechanization on rice cultivation of Bargarh District	426-430
Upasana Mohapatra* , Pujarani Mishra, Raj Kishore Mishra and Tapas Ranjan Sahoo	
Structure and function of phytonic <i>Bacillus thuringiensis</i> of wild rice genotype <i>Oryza brachyantha</i> A. Chev. and Roehr.	431-444
Sonali Acharya, Sanhita Padhi, LK Bose and TK Dangar*	
Trade direction and export competitiveness of rice in India	445-451
M Srikalaa* , I Bhavani Devi, S Rajeswari, G Mohan Naidu and SV Prasad	
<u>SHORT COMMUNICATION</u>	
Estimation of heterosis for yield and associated traits in rainfed upland rice genotypes of Uttarakhand hills	452-460
JP Aditya* , Anuradha Bhartiya, RS Pal, Rajashekara H and A Pattanayak	
On farm assessment of short duration rice variety Satyabhama in mid-central table land zone of Odisha	461-465
TK Samant* , D Panigrahi and Swapnil Pawar	
Field efficacy of some insecticides against leaf folder of rice	466-469
PC Rath	
Evaluation of fungicides against sheath blight of rice caused by <i>Rhizoctonia solani</i> (Kuhn.)	470-476
KV Neha* , R Naveenkumar, P Balabaskar and P Manikandan	
Contents for Vol. 54 (1-4), 2017	477-482
