

ALLELOPATHY JOURNAL

Volume 42

Number 2

November 2017

RESEARCH PAPERS

- M. Mishyna, Van T.T. Pham and Y. Fujii (Japan).** Evaluation of allelopathic activity of *Heracleum sosnowskyi* Manden fruits 169
- J.R. Qasem (Jordan).** A Survey on the phytotoxicity of common weeds, wild grown species and medicinal plants on wheat 179
- Nimisha Amist and N.B. Singh (India).** Responses of enzymes involved in proline biosynthesis and degradation in wheat seedlings under stress 195
- S.L. Liu, Y.H. Xu, A.H. Zhang, L.X. Zhang, C.S. Wu and L.S. Zang (China).** Effects of Ginsenosides on the life span parameters of Asiatic Corn Borer, *Ostrinia furnacalis* 207
- Monika, K.K. Chahal, D. Kataria and A. Kumar (India).** Transformation, characterization and bioassay of some compounds from *Anethum graveolens* L. seed oil: Structure activity relationship 219
- K.M. Zhang, Y. Shen, Y.M. Fang, P.C. Bhowmik and Y. Li (China).** Effects of *Bidens pilosa* shoot parts on chlorophyll fluorescence in *Pteris multifida* gametophyte 231
- J.Y. Zhang, X.Y. Ma, L. Yang, X. Ruan, C.D. Pan, F. Wei and Q. Wang (China).** Enantio-separation of Allelochemical 4,8-dihydroxy-1-tetralone by Rapid HPLC Method 239
- L. Chen, X.G. Yang, L. Wang and N.P. Song (China).** Allelopathic effects of *Caragana intermedia* on monocot and dicot plant species and identification of allelochemical 251
- C.K.B. Pereira, C.M. Carvalho, I.T. Souza, N.S.J. Serra, J.G. Costa and A.E.G. Santana (Brasil).** Allelopathic effects of *Cecropia pachystachya* Trecul on germination and seedling growth of *Lactuca sativa* 263
- D.S.B. Mignoni, R. Sant'ana Cabral, L.M.B. Torres and M.R. Braga (Brazil).** Phytotoxic effects of *Leucaena leucocephala* seeds on seeds germination and seedling growth of rice and tomato 279
- N.S. Thakur, Avinash G. Parmar, R.P. Gunaga and D.P. Patel (India).** Allelopathic influence of leaf and leaf litter of white cedar (*Melia azedarach* L.) on eggplant and okra 295
