

CONTENTS

REVIEW ARTICLES

1. **Traditional knowledge and medicinal plants of India in intellectual property landscape** 1-11
Chetan Keswani, Kartikay Bisen, S.P. Singh and H.B. Singh
2. **Glory lily (*Gloriosa superba*): A phytochemical crop of commercial significance** 12-19
K. Rajamani and S. Padmapriya

RESEARCH ARTICLES

3. **Antimicrobial activities screening of some phytochemicals from the stem bark extracts of *Bersama abyssinica* (Fresen)** 20-28
T.N. Ong'era, O. Amuka, A.K. Machocho and N.K. Gikonyo
4. **Seed germination and seedling growth of *Artemisia annua* L.** 29-35
Manish Das, V. S. Rana and K. Abirami
5. **Inhibition of rat liver mitochondrial membrane permeability transition and lipid peroxidation by seeds extracts of *Myristica fragrans* Houtt.** 36-40
Anyasor Godswill Nduka, Akande Sophiat Olamide and Osilesi Odutola
6. **Confirmation of black nightshade species through DNA barcoding** 41-47
L. Nalina, K. Rajamani, A. John Joel, S. Dhivya, C.J. Jijo, S. Ramachandran and R. Sathishkumar
7. **Effect of different organic manures on the seed germination and growth performance of *Hedychium spicatum* Buch-Ham ex-Smith.** 48-54
A.S. Bisht, Megha Sati, R.S. Chauhan, B.P. Nautiyal and Ramírez-Sánchez
8. ***Piriformospora indica* affects growth, tropane alkaloids production and gene expression in *Atropa belladonna* L. plantlets** 55-62
Homa Noora, Saleh Shahabivand, Farokh Karimi, Ahmad Aghaee and Ali Asghar Aliloo
9. **Comparative analysis of resource use efficiency in menthol- mint cultivation on different farm size groups in India** 63-67
Harshika Choudhary, Virendra Singh, P.S. Badal and Rajani Osti
10. **The *in vitro* chromosomal aberrations and SCEs assays for antigenotoxic effect evaluation of the *Nigella sativa* L. seeds extract on cultured human peripheral blood lymphocytes** 68-75
Talbi Hayat, Talbi Jalal and Hilali Abderraouf

SHORT COMMUNICATION

11. ***In vitro* regeneration of *Chlorophytum borivillianum* Santapau & R.R. Fern.** 76-79
Jitendriya Panigrahi, Saikat Gantait and Illa C. Patel

CONFERENCE/WORKSHOP REPORT

80-82
