

Editorial

- 73 Surgery and the Eye of Horus: the myth of mankind (Part I)**
M. Riegler
- 79 Contemporary liver surgery**
S. Stättner

Main topic

- 81 Perioperative management of liver surgery—review on pathophysiology of liver disease and liver failure**
L. Gasteiger · S. Eschertzhuber · W. Tiefenthaler
- 87 Patient selection and perioperative optimisation in surgery for colorectal liver metastases**
B. D. Jones · R. Jones · D. F. Dunne · T. Astles · S. W. Fenwick · G. J. Poston · H. Z. Malik
- 93 Optimal perioperative care in peri-hilar cholangiocarcinoma resection**
L. M. Quinn · D. F. J. Dunne · R. P. Jones · G. J. Poston · H. Z. Malik · S. W. Fenwick
- 100 Surgical techniques and strategies for the treatment of primary liver tumours: hepatocellular and cholangiocellular carcinoma**
E. Braunwarth · S. Stättner · M. Fodor · B. Cardini · T. Resch · R. Oberhuber · D. Putzer · R. Bale · M. Maglione · C. Margreiter · S. Schneeberger · D. Öfner · F. Primavesi
- 113 Liver resection for non-colorectal metastases**
C. Schwarz · K. Kaczirek · M. Bodingbauer
- 117 Integrating interventional oncology in the treatment of liver tumors**
D. Putzer · P. Schullian · E. Braunwarth · M. Fodor · F. Primavesi · B. Cardini · T. Resch · R. Oberhuber · M. Maglione · C. Margreiter · S. Schneeberger · S. Stättner · D. Öfner-Velano · W. Jaschke · R. J. Bale
- 125 Indications for liver surgery in benign tumours**
M. Fodor · F. Primavesi · E. Braunwarth · B. Cardini · T. Resch · R. Bale · D. Putzer · B. Henninger · R. Oberhuber · M. Maglione · C. Margreiter · S. Schneeberger · D. Öfner · S. Stättner
- 132 Shaping the future of liver surgery. Implementation of experimental insights into liver regeneration**
D. Pereyra · P. Starlinger
- 137 Technical advances and future perspectives in liver surgery**
M. A. Ward · B. Gayet · N. Tabchouri · F. Moisan · G. Donatelli · S. Stättner · D. Fuks
