

Aquatic Ecosystem Health & Management

The official journal of the Aquatic Ecosystem Health and Management Society

Volume 21, Number 3

July–September

CONTENTS

Editorial	227
Preface—Restoring Toronto’s waters: Progress toward delisting the Toronto and Region Area of Concern	229
Water circulation in Toronto Harbour <i>B. Hlevca, M. G. Wells, L. C. Font, S. E. Doka, R. Portiss, M. St. John, and S. J. Cooke (Canada)</i>	234
Forecasting receiving water response to alternative control levels for combined sewer overflows discharging to Toronto’s inner harbour <i>W. J. Snodgrass, R. Dewey, M. D’Andrea, R. Bishop, and J. Lei (Canada)</i>	245
Monitoring water quality on the central Toronto waterfront: Perspectives on addressing spatiotemporal variability <i>E. T. Howell, S. C. Dahmer, K. M. Chomicki, N. Benoit, D. Boyd, and G. S. Bowen (Canada)</i>	255
Foreshore beach sand as a reservoir and source of total phosphorus in Lake Ontario <i>Z. R. Staley, D. D. He, P. Shum, R. Vender, and T. A. Edge (Canada)</i>	268
Assessment of the degradation of aesthetics Beneficial Use Impairment in the Toronto and Region Area of Concern <i>S. C. Dahmer, L. Matos, and S. Jarvie (Canada)</i>	276
Remediation of a Beneficial Use Impairment at Bluffer’s Park Beach in the Toronto Area of Concern <i>T. A. Edge, S. Hill, A. Crowe, J. Marsalek, P. Seto, B. Snodgrass, R. Toningner, and M. Patel (Canada)</i>	285
Autotrophic and heterotrophic indicators of ecological impairment in Toronto Harbour and coastal Lake Ontario <i>M. Munawar, M. Fitzpatrick, H. Niblock, and J. Lorimer (Canada)</i>	293

Fish community indices of ecosystem health: How does Toronto Harbour compare to other Lake Ontario nearshore areas?	306
<i>J. A. Hoyle, C. M. Boston, C. Chu, M. J. Yuille, R. Portiss, and R. G. Randall (Canada)</i>	
Assessing fish consumption Beneficial Use Impairment at Great Lakes Areas of Concern: Toronto case study	318
<i>S. P. Bhavsar, K. G. Drouillard, R.W. K. Tang, L. Matos, and M. Neff (Canada)</i>	
Assessing occupancy of freshwater fishes in urban boat slips of Toronto Harbour	331
<i>M. A. N. Veilleux, J. D. Midwood, N. W. R. Lapointe, R. Portiss, M. Wells, S. E. Doka, and S. J. Cooke (Canada)</i>	
Measuring 30 years of improvements to aquatic connectivity in the Greater Toronto Area	342
<i>M. Choy, D. Lawrie, and C. B. Edge (Canada)</i>	
Integrated restoration prioritization—A multi-discipline approach in the Greater Toronto Area	352
<i>J. Stille, N. Shrestha, R. Toningen, C. MacKenzie, A. Ramesbottom, and J. Smith (Canada)</i>	
The State of Toronto and Region Ecosystem: Synthesis and highlights	362
<i>S. E. Doka, M. Munawar, J. D. Midwood, and M. G. Wells (Canada)</i>
