Research Reports

Organic and inorganic selenium in Aseel chicken diets: Effect on production performance

M. T. Khan, A. Mahmud, K. Javed, I. Zahoor, S. Mehmood, J. Hussain, and M. S. Rehman

292

Neutralization of residual antimicrobial processing chemicals in broiler carcass rinse for improved detection of *Campylobacter*

M. E. Berrang, G. R. Gamble, A. Hinton, Jr., and J. J. Johnston

299

Impact of in vitro inoculation and dietary supplementation with *Bacillus subtilis* on sperm quality of aged White Leghorn roosters

M. N. dos Santos, R. Ramachandran, A. S. Kiess, K. G. S. Wamsley, and C. D. McDaniel

304

Poultry carcass visceral contour recognition method using image processing

Y. Chen and S. C. Wang

316

Processed soya to improve performance of broiler chickens

H. V. Masey O'Neill, H. Hall, D. Curry, and A. Knox

325

Comparison of meat quality parameters in three chicken strains fed *Moringa oleifera* leaf meal-based diets

N. A. Sebola, V. Mlambo, H. K. Mokoboki, A. Hugo, and V. Muchenje

332

Comparison of probiotics and clay detoxifier on the growth performance and enterotoxin markers of broilers fed diets contaminated with aflatoxin B₁

N. Liu, J. Q. Wang, Z. Y. Liu, Y. C. Wang, and J. P. Wang

341

Quality changes of chicken breast meat packaged in a normal and in a modified atmosphere

M. Chmiel, E. Hać-Szymańczuk, L. Adamczak, D. Pietrzak, T. Florowski, and A. Cegiełka

349

Relative bioavailability determination of highly concentrated cholecalciferol (vitamin D₃) sources employing a broiler chick bioassay

H. Leyva-Jimenez, Y. Jameel, M. N. Al-Ajeeli, A. M. Alsadwi, R. A. Abdaljaleel, and C. A. Bailey

363

Use of probiotics as an alternative to formaldehyde fumigation in commercial broiler chicken hatch cabinets
L. E. Graham, K. D. Teague, J. D. Latorre, Y. Yang, M. F. A. Baxter, B. D. Mahaffey, X. Hernandez-Velasco, L. R. Bielke, B. M. Hargis, and G. Tellez . 371

Effect of housing system on egg quality and the concentration of cholesterol in egg yolk and blood of hens of native resources of the Czech Republic and Slovakia
L. Zita, M. Jeníková, and H. Härtlová 380

Linseed oil or tuna oil supplementation in slow-growing chicken diets: Can their meat reach the threshold of a “high in n-3 polyunsaturated fatty acids” product?
T. T. T. Hang, W. Molee, and S. Khempaka 389

Effects of split feeding on performance, egg quality, and bone strength in brown laying hens in aviary system
A. Molnár, I. Kempen, N. Sleenckx, J. Zoons, L. Maertens, B. Ampe, J. Buyse, and E. Delezie 401

Field Reports

Foam or spray application of agricultural chemicals to clean and disinfect layer cages
D. White, S. Gurung, D. Zhao, T. Tabler, C. McDaniel, D. Styles, S. McKenzie, Y. Farnell, and M. Farnell 416

Incidence, severity, and relationship of broiler footpad lesions and gait scores of market-age broilers raised under commercial conditions in the southeastern United States
K. Opengart, S. F. Bilgili, G. L. Warren, K. T. Baker, J. D. Moore, and S. Dougherty 424

Letters and Commentaries

How to deal with avian influenza: the case of Korea
Kyoo-Man Ha 433
