

RESEARCH PAPERS

- L. Hu, R.R. Xue, C.C. Xu, Z.Y. Zhang, G. Zhang, R.S. Zeng and Y.Y. Song (China).** Autotoxicity in the cultivated medicinal herb *Andrographis paniculata* 141
- Yang-bo Zheng and Ming Li (China).** Autotoxicity of phenolic acids in root exudates of *Andrographis paniculata* (Burm. f.) Nees 153
- Yang-bo Zheng and Ming Li (China).** Microbial community in *Andrographis paniculata* (Burm. f.) Nees in continuous cropping problem 163
- C. Manalo and S. Nakai (Japan).** Inhibitory effects of woodchips on growth of climbing bean plant *Pueraria lobata* Ohwi 173
- R.N. Byeon, S.J. Jang, Y.B. Yun, S.S. Kim and Y.I. Kuk (Korea).** Evaluation of weed control potential of meadowfoam (*Limnanthes alba* Benth.) plant 183
- K. Mseddi, A. Alghamdi and N. Ibrahim (Saudi Arabia).** Allelopathic potential of *Citrullus colocynthis* (L.) Schrad to control ryegrass weed in barley crop 197
- R. Huang, S.K. Jin, X. Wang, Z.X. Xu, H. M. Li and L. Li (China).** Allelopathic potential of root endophytic fungal metabolites of *Casuarina equisetifolia* 213
- S. Benzarti, K. Belkadhi and H. Hamdi (Tunisia).** Biological activities of phenolics from leaves of Tunisian *Cydonia oblonga* Miller 229
- I. Saidi, A. El Ayeb-Zakhama, F. Harzallah-Skhiri and H. Ben Jannet (Tunisia).** Phytotoxicity of pentacyclic triterpene acids from *Citharexylum spinosum* L. to radish, lettuce and canary grass 243
- A. Costas-Gil, M.J. Reigosa and A.M. Sánchez-Moreiras (Spain).** The natural compound podophyllotoxin induces growth inhibition and microtubule condensation on *arabidopsis* roots 255
- Xiu-Li Wang, Liang Zhou and Chang-Yi Lu (China).** Allelopathic effects of exotic mangrove species *Laguncularia racemosa* on three native mangrove species in China 263
- S.S.S. Sarma, J.A. Guevara-Franco, B. Almaraz-Ornelas and S. Nandini (Mexico).** Interspecific effects of allelochemicals of 4-species of Brachionidae (Rotifera: Monogononta) on the population growth 277
-
