

ORYZA

An International Journal on Rice

Assessment of partial resistance to rice blast disease	363-382
AK Mukherjee, NK Mohapatra and P Nayak*	
Intellectual Property Rights protection for rice varieties - status - emerging issues and challenges-new initiatives	383-395
PA Lakshmi Prasanna*, LV Subba Rao, AS Hari Prasad, Amtul Waris, Shaik N Meera, B Nirmala, S Arun Kumar and Divya P Syamaladevi	
Genetic diversity, population structure, marker validation and kinship analysis for seedling stage cold tolerance in <i>indica</i> rice	396-405
Sujata Das, Elssa Pandit, M Guru, DK Nayak, S Tasleem, SR Barik, DP Mohanty, SP Mohanty, BC Patra and SK Pradhan*	
Inoculation of <i>Azotobacter vinelandii</i> (SRI Az3) to rice plant increases stress tolerance in rice plant during drought stress	406-412
Madhusmita Pradhan, Ranjan Kumar Sahoo, Durga Madhab Swain, Tushar Kanti Dangar and Santanu Mohanty*	
Molecular marker analysis and interval mapping of QTL for root and shoot traits in the Danteshwari/ Dagad Deshi RIL population of rice (<i>Oryza sativa</i> L.)	413-424
Sweta Sinha*, AS Kotasthane and SB Verulkar	
Standardization of technique and screening for salinity tolerance in rice (<i>Oryza sativa</i> L.)	425-437
Awaneet Kumar*, AB Mandal, SK Sarangi, RL Verma and ON Singh	
Assessment of phyllochron and tillers contribution to grain yield of rice	438-444
MR Nandhakumar*, K Velayudham, N Thavaprakash and R Govindan	

Official Publication of

Association of Rice Research Workers
National Rice Research Institute
Cuttack - 753 006, India

Does ecology has an impact on seed dormancy ? ? ?	445-451
P Sanghamitra*, RK Sahu, Lalan Kumar Singh, Debashis Moharana, TB Bagchi, Sushmita Munda, Sutapa Sarkar, Nabaneeta Basak, Gaurav Kumar, Manoj Kumar Yadav, LK Bose, BC Marandi, J Meher and HN Subuddhi	
Microbial activity and plant nutrients transformation as influenced by herbicides application in soil	452-458
N Panda*, P Raha and Anjani Kumar	
Unpuddled transplanting: a productive, profitable and energy efficient establishment technique in rice under Eastern sub-Himalayan plains	459-466
Biplab Mitra*, Koushik Patra, PM Bhattacharya and AK Chowdhury	
Morphological and molecular characterization of <i>Magnaporthe oryzae</i> causing rice blast disease in Odisha	467-472
Chinmayee Sahu, Manoj Kumar Yadav*, Gayatree Panda, S Aravindan, Ngangkham Umakanta, S Raghu, SR Prabhukarthikeyan, U Keerthana, Totan Adak, Vikas Sharma, Mihir Ranjan Mohanty, PC Rath and Mayabini Jena	
<u>SHORT COMMUNICATION</u>	
DUS characterization of rice hybrids and their parental lines using morphological marker	473-478
Sunil Kumar*, S Marker, Ramesh Chandra, Ravindra Kumar, SK Pradhan and Prashant Kumar Rai	
Medium land rice production in Puri district of Odisha: an economic analysis	479-483
Suvashree R Prusty*, HR Haqjo, RK Mishra and BK Dixit	
Cost and return of paddy cultivation in Erode district, Tamil Nadu	484-491
M Manikandan, N Mani and P Karthikeyan*	
Instructions to Author	492-492
