

CONTENTS

Articles

- MARIA, M., CAI, R., SUBBOTIN, S.A. & ZHENG, J.— Description of *Discocriconemella sinensis* n. sp. (Nematoda: Criconematidae) from the rhizosphere of *Camellia sinensis* in China 779-792
- ALVES, P.S., FATOBENE, B.J. DOS R., SALGADO, S.M. DE L., GOMES, A.C.M.M., CAMPOS, V.P., CARNEIRO, R.M.D.G. & DE SOUZA, J.T.— Early and late responses characterise the resistance derived from Ethiopian wild germplasm ‘Amphillo’ of *Coffea arabica* to *Meloidogyne paranaensis* 793-804
- DE ALMEIDA, A.V.D.L., MUNIZ, M. DE F.S., NORONHA, M. DE A., DE SOUZA, R.C., FILHO, G.M. & DE FARIAS, S.P.— *Scutellonema bradys* and *Pratylenchus* spp. associated with weeds in yam fields 805-811
- WRIGHT, A.J.D., SPARKES, D.L., STEVENS, M. & BACK, M.A.— Hatching dynamics of the beet cyst nematode, *Heterodera schachtii*, following exposure to root leachates from cultivars of sugar beet, white mustard and radish 813-825
- HOSSEINVAND, M., ESKANDARI, A. & GHADERI, R.— Additional data on *Pratylenchoides riparius* (Andrássy, 1985) Luc, 1986 (Nematoda: Merliniidae) from Iran 827-836
- ROSHAN-BAKSH, A., POURJAM, E., AYYARI, M. & PEDRAM, M.— Biocontrol properties of some agricultural waste extracts on three nematode species in *in vitro* and *in vivo* conditions 837-846
- MAO, Y., HU, Y., LI, C., ZHANG, H., YU, D., LIU, X., YANG, G. & WANG, C.— Molecular identification of *Meloidogyne* species isolated from potato in China and evaluation of the response of potato genotypes to these isolates 847-856
- PEÑA-SANTIAGO, R., ABOLAFIA, J., NGUYEN, T.A.D., ÁLVAREZ-ORTEGA, S. & VARELA-BENAVIDES, I.— General morphology and updated taxonomy of the genus *Aporcelinus* Andrásy, 2009 (Dorylaimida: Aporcelaimidae) 857-874
- XUE, Q., SLONIM, O., BUCKI, P., MENDEL, Z., PROTASOV, A., GOLAN, O., VIEIRA, P. & BRAUN MIYARA, S.— Diversity and distribution of nematodes associated with bark beetles in Israel 875-886

Short communications

- MOBASSERI, M., JAHANSHAHI AFSHAR, F., POURJAM, E. & PEDRAM, M.— The first juvenile developmental stage separates *Paralongidorus iranicus* Pedram *et al.*, 2012 (Nematoda: Longidoridae) from *P. litoralis* Palomares-Rius *et al.*, 2008, its cryptic relative 887-888
- THODEN, T., PARDAVELLA, I.V. & TZORTZAKAKIS, E.A.— *In vitro* sensitivity of different populations of *Meloidogyne javanica* and *M. incognita* to the nematicides Salibro™ and Vydate® 889-893

Corrigenda

- CAI, R., MARIA, M., BARSALOTE, E.M., SUBBOTIN, S.A. & ZHENG, J.— Corrigendum to: Description of *Xiphinema hangzhouense* sp. n. (Nematoda: Longidoridae) from the rhizosphere of *Magnolia grandiflora* in Hangzhou, Zhejiang Province, China (*Nematology* 20 (2018), 67-80. DOI: 10.1163/15685411-00003125) 895-895
- MARIA, M., CAI, R., CASTILLO, P. & ZHENG, J.— Corrigendum to: Morphological and molecular characterisation of *Hemicriconemoides paracamelliae* sp. n. (Nematoda: Criconematidae) and two known species of *Hemicriconemoides* from China (*Nematology* 20 (2018), 403-422. DOI: 10.1163/15685411-00003147) 897-897
