REVIEW

Breeding groundnut for rust resistance: A review

Happy Daudi, Hussein Shimelis, Learnmore Mwadzingeni, Mark Laing and Patrick Okori.....291

GENETICS AND BREEDING

Ems and gamma radiation induced mutation in grasspea (*Lathyrus sativus* L.)

Prabhat K. Singh and R. Sadhukhan.....300

Yield and stability for agronomic and seed quality traits of common bean genotypes under Mediterranean conditions

A. Kargiotidou, F. Papathanasiou, D. Baxevanos, D.N. Vlachostergios, S. Stefanou and I. Papadopoulos.....308

PLANT PHYSIOLOGY

Simultaneous selection model based evaluation of arsenic tolerance in black gram (*Vigna mungo* L.) using morphological parameters

M.Z. Shamim and Anjana Pandey.....314

Antioxidative and root attributes response of chickpea parents and crosses under drought stress

P.K. Lokhande, R.M. Naik, U.S. Dalvi, L.B. Mhase and P.N. Harer.....320

AGRONOMY

Land evaluation for groundnut (*Arachis hypogaea* L.) production in Pulivendula tehsil, Kadapa district, Andhra Pradesh, India

Rajendra Hegde, B.P. Bhaskar, K.V. Niranjana, S.C. Ramesh Kumar, V. Ramamurthy, S. Srinivas and S.K. Singh.....326

Seed infusion with liquid microbial consortia for improving germination and vigour in blackgram [*Vigna mungo* (L.) Hepper]

K. Raja, K. Sivasubramaniam and R. Anandham.....334

Effect of applying a biostimulant containing seaweed and amino acids on the content of fiber fractions in three soybean cultivars

S. Kocira, A. Szparaga, A. Kocira, E. Czerwińska, K. Depo, B. Erlichowska and E. Deszcz.....341

Effect of plant densities and different environments on productivity and profitability of yardlong bean (*Vigna unguiculata* sub sp. *sesquipedalis*)

M. Manjesh, Nagarajappa Adivappar, V. Srinivasa, G. K. Girijesh and Sharanabasappa.....348

Studies on integrated agro-techniques approaches for yield maximization of pigeonpea [<i>Cajanus Cajan</i> (L.) Millsp.] in Mid-Hills of Tripura, India Biman De, Subrata Ray, Partha Das and Sujoy Hazari.....	354
Effect of sowing dates on yield and quality characteristics of chickpea varieties under Mediterranean climate conditions Hüseyin VAROGLU and Kazım ABAK.....	360
Productivity and soil moisture conservation studies of pigeon pea based intercropping systems as influenced by different land configurations H.S. Garud, B.V. Asewar, A.S. Dhawan, D.N. Gokhale and I.A.B. Mirza.....	365
Dynamics of the physical properties of soybean during storage under tropical condition D.M.C. Champathi Gunathilake, J. Bhat, I.R. Singh and K.A. Tharanga Kahandawala.....	370
Effect of seed coating on germination of ciliate medick [<i>Medicago ciliaris</i> (L.) All.] and Snail Medick [<i>Medicago scutellata</i> (L.) Mill.] B. Kir.....	375
<u>MICROBIOLOGY</u>	
Phenotypic characterization of indigenous rhizobia nodulating chickpea in Turkey reveals high diversity M.A. Mahmoud, D. Mart and C. Can.....	379
<u>PLANT PROTECTION</u>	
Tank-mix insecticide and herbicide application effects on weeds, insect-pest menace and soybean productivity in semi-arid northern plains of India Anchal Dass, Debjani Dey, S.K. Lal and G.A. Rajanna.....	385
Detrimental effect and GC-MS analysis of some plant oils against polyphagous pests <i>Spodoptera litura</i> and <i>Spilarctia obliqua</i> Preeti Sharma and Neeta Gaur.....	392
Effect of elevated CO₂ and temperature on biochemistry of groundnut and its effect on development of leaf eating caterpillar, <i>Spodoptera litura fabricius</i> Shwetha, A.G. Sreenivas, J. Ashoka, Sushila Nadagoud and P.H. Kuchnoor.....	399
Genetic diversity of groundnut rhizosphere antagonistic bacteria and biological control of groundnut wilted diseases in central Vietnam C.N. Le, T.H. Thai, D.H. Tran, T.L. Nguyen, T.T.H. La and X.V. Nguyen.....	405
Character association and assessment of yield loss in pigeonpea cultivars infested by pod fly and bruchid B. Kiran Gandhi, Sanjay M. Bandi, S.J. Satheesh Naik, S.K. Singh and Krishna Kumar.....	411

**Bio-efficacy of different tank mix herbicides for weed control in soybean
[*Glycine max* (L.) Merrill] varieties during summer**

Jai Prakash Bhimwal, Arvind Verma, Virendra Nepalia and Versha Gupta.....416

**Biological activity of pod borer, *Helicoverpa armigera* (Hubner) influenced by
chickpea genotypes**

Bheemaraya, V. Rachappa, Raju Teggelli, Suhas Yelshetty and Y.S. Amaresh.....421

TRANSFER OF TECHNOLOGY

**Front line demonstration on lentil using improved varieties for increasing
productivity under lateritic soil of West Bengal**

Subrata Mandal, Prabuddha Ray, Sourav Mondal and Palash Ankure.....426

SHORT COMMUNICATION

**Identification of new sources of resistance in Rajmash (*Phaseolus vulgaris* L.) against
powdery mildew (*Erysiphe polygoni*) and stem rot (*Sclerotinia sclerotiorum*) diseases**

R.K. Mishra, A.K. Parihar, T. Basvaraj and Krishna Kumar430

Esteemed reviews of this issue.....434

Author index of this issue.....434-435

Key words index of this issue.....435-436
