OF
ENTOMOLOGICAL RESEARCH

Vol. 43

December 2019

No. 4

CONTENTS

	PAGE
Activity of <i>Origanum vulgare</i> essential oil, as a safe green-friendly repellent for personal protection against common bed bug – Ismaeil Alizadeh, Elham Jahanifard, Mona Shariffard and Mohammad Ebrahim Azemi	413
Toxicological and biochemical effects of three Synthesis active derivatives of Benzothiophene on the irradiated and non-irradiated cotton leaf worm <i>Spodoptera littoralis</i> (Lepidoptera: Noctuidae) larvae – Salwa A. Rizk, Ragaa S. Abdalla, Tammy S. El Sayed, Rehab M. Sayed, Basem Kh. El-Damhougy and Mohamed M. Ghobashy	419
<i>In vivo</i> evaluation of newer molecule spinetoram 12 SC against termite, <i>Odontotermes obesus</i> by topical application and using different feeding materials – N. Muthukrishnan and M. Visnupriya	425
Sub-lethal and antifeedant effect of spinosyn and diamide insecticides against <i>Spodoptera litura</i> (Fab.) and <i>Spilarctia obliqua</i> (Wlk.) – Himanshu Thakur and R.P. Srivastava	431
Evaluation of some botanicals and insecticides against stem borer, plant hoppers and natural enemies in rice – Atanu Seni and Bhima Sen Naik	439
Enriched bioformulations of <i>Lecanicillium lecanii</i> (Zimmermann) Zare and Gams against sucking pests of yard long bean, <i>Vigna unguiculata</i> L. Walp <i>sesquipedalis</i> – Nithya, P.R. and Reji Rani, O.P.	445
Studies on the insecticidal and IGR activity of red algal seaweeds of Rameswaram coast on a polyphagous pest, <i>Spodoptera litura</i> (Fab.) – Dharani Priya, N., R. Kannan, K. Gowthish and D. Niroja	451
Testing safer options to manage apical leaf curling in chilli – S. Chakraborti, Puja Chatterjee and Ayan Das	457
Efficacy of insecticides against sugarcane leaf hopper (<i>Pyrilla perpusilla</i> Walker) under field conditions and their effect on yield – Shreedhar Utagi, R.S. Meena, P.S. Singh and R.K. Singh	467
Susceptibility study of three insecticides in <i>Aedes aegypti</i> populations of lower Assam – Ananta Swargiary, Pinki Kumari Mahato and Kangkana Lekharu	471

Screening of cashew cultivars against the pests of Cashew – Omprakash Navik, S.K. Godase, M.S. Masal and J.S. Dhekale	475
Seasonal dynamics of insect pests of potato under sub-tropical conditions of Punjab – Smriti Sharma, Amandeep Kaur and Rubaljot Kooner	481
Study on impact of weather parameters on the incidence of stem borer complex on rice – S.J. Reuolin and R.P. Soundararajan	487
The occurrence and intensity of mustard aphid <i>Lipaphis erysimi</i> (Kalt.) on dates of sowing in different varieties respect to yield parameter – S.A. Dwivedi and R.S. Singh	491
Effect of contaminant of insecticide organic wastes on biology of black soldir fly, <i>Hermetia illucens</i> and its conversion capability to biomass – Yayan Sanjaya, Suhara, Mimin Nurjhani and Mimi Halimah	499
Nesting patterns of giant honeybee, <i>Apis dorsata</i> in plains of Karnataka, India – N. Nagaraja	503
Acceptance of Karl Jenter and Cupkit apparatus in different bee strength <i>Apis mellifera</i> Linnaeus breeder colonies – Navneet Kaur Dhaliwal, Jaspal Singh and Pardeep K. Chhuneja	509
Diversity, distribution and relative abundance of different insect pollinators on citrus crops – K.S. Jamwal, Kuldeep Singh Jamwal and M.S. Thakur	513
A Taxonomic study on the leaf beetle <i>Phygasia silacea</i> (Coeloptera: Chrysomelidae: Alticinae) using DNA barcoding – Pavithra, S. and Ananthi Rachel Livingstone	519
On a collection of Acrididae (Orthoptera: acridoidea) from Rohilkhand region, Uttar Pradesh, India with three new records from the state – Sahar Mobin and Mohd. Kamil Usmani	523
Diversity of lepidopterans in Karnatak University Campus, Dharwad – Vaibhav P. Ugare, Dheeraj K. Veeranagoudar and Pulikeshi M. Biradar	531
Study on the insect faunal diversity of Mehr Chand Mahajan D.A.V. College for Women, Chandigarh – Ravneet Kaur, Divya Khasa, Deepti and Neetu Batra	535
Improvement of Tasar farmers' economic status in Mayurbhanj district of Odisha through cluster approach – Nirodinalini Kar, Yashaswi Nayak and Prasanta Kumar Kar	541
Avian diversity and its ecological impact on agro-ecosystems as biological pest control agents near Sharda River bank, Uttarakhand, India – Vinay Singh, Satpal Singh Bisht, Neha Rajwar and Rashi Miglani	547
Relation between phlebotomine sand flies composition and the occurrence of leishmaniasis in Pre-Saharan region, Biskra Algeria – Samir Zeroual, Randa Gaouaoui, linda Aïssaoui and Hamid Boudjelida	555
