

- 1 Action before certainty for Africa's European migrant birds, *J.A. Vickery & W.M. Adams*
- 3 Briefly
- 9 Conservation news
- Bird conservation**
- 16 Is Gurney's pitta *Hydrornis gurneyi* on the brink of extinction? *N.M. Shwe, N. Sukumal, M. Grindley & T. Savini*
- 23 Recent changes in the number of spoon-billed sandpipers *Calidris pygmaea* wintering on the Upper Gulf of Mottama in Myanmar, *P.-P. Aung, S. Moses, N.A. Clark, G.Q.A. Anderson, G.M. Hilton, G.M. Buchanan et al.*
- 30 Modelling occurrence probability of the Endangered green peafowl *Pavo muticus* in mainland South-east Asia: applications for landscape conservation and management, *N. Sukumal, S.D. Dowell & T. Savini*
- 40 The sarolga: conservation implications of genetic and visual evidence for hybridization between the broilga *Antigone rubicunda* and the Australian sarus crane *Antigone antigone gillae*, *T.D. Nevard, M. Haase, G. Archibald, I. Leiper & S.T. Garnett*
- 52 Using climate change models to inform the recovery of the western ground parrot *Pezoporus flaviventris*, *S.W. Molloy, A.H. Burbidge, S. Comer & R.A. Davis*
- 62 Developing biodiversity indicators for African birds, *S.R. Wotton, M.A. Eaton, D. Sheehan, F.B. Munyekenye, I.J. Burfield, S.H.M. Butchart et al.*
- 74 Low abundance of the Endangered timneh parrot *Psittacus timneh* in one of its presumed strongholds, *S. Valle, N.J. Collar, B. Barca, P. Dauda & S.J. Marsden*
- 77 Illegal trade of the Psittacidae in Venezuela, *A. Sánchez-Mercado, M. Asmussen, J.P. Rodríguez, L. Moran, A. Cardozo-Urdaneta & L.I. Morales*
- 84 Predator visits to acclimatization pens: implications for the soft-release of gallinaceous birds, *D.A. Keiter & R.E. Ruzicka*
- 90 Combining local knowledge and occupancy analysis for a rapid assessment of the forest elephant *Loxodonta cyclotis* in Cameroon's timber production forests, *S. Brittain, M.N. Bata, P. De Ornellas, E.J. Milner-Gulland & M. Rowcliffe*
- 101 Estimating the population size of migrating Tibetan antelopes *Pantholops hodgsonii* with unmanned aerial vehicles, *J. Hu, X. Wu & M. Dai*
- 110 Is captive breeding a priority for manatee conservation in Mexico? *A. Ortega-Argueta & D.N. Castelblanco-Martínez*
- 118 Co-occurrence of snow leopard *Panthera uncia*, Siberian ibex *Capra sibirica* and livestock: potential relationships and effects, *F. Rovero, C. Augugliaro, R.W. Havmøller, C. Groff, F. Zimmermann, V. Oberosler & S. Tenan*
- 125 A process for assessing and prioritizing species conservation needs: going beyond the Red List, *K. Johnson, A. Baker, K. Buley, L. Carrillo, R. Gibson, G.R. Gillespie et al.*
- 133 Surveying in highly-modified landscapes to document the occurrence of threatened species: a study of the giant armadillo *Priodontes maximus* in central Brazil, *F.G. Lemos, A.N. Costa, F.C. Azevedo, C.E. Fragoso, M.C. Freitas-Junior & E.C. Rocha*
