Kurzbericht | Short Report

Urease, α -glucosidase inhibitory potential of various extracts of *Chenopodium botrys* L.
Alhumaydhi F A..... 52

Phytochemicals, fatty acid profile and biological activities of *Cedrela serrata* Royle bark
Saadiq M 55

Phenolic acids, flavonoids and antiradical activity of *Ocimum sanctum* and *Ocimum basilicum* leaves extracts
Ramadan M F.....60

Preliminary phytochemical composition, antioxidant and antimicrobial study of *Viola canescens* and *Vicatia coniiifolia*
Rauf A et al.80

Antimicrobial, cytotoxic and phytotoxic activities of *Skimmia laureola*
Rauf A et al. 88

Originalbeiträge | Original Contributions

Green Synthesis of Silver Nano-particles Using Silymarin Extracted from Root Callus of *Silybum marianum* (L.) Gaertn and Their Antibacterial Activity
Ebrahimzadeh M H.....63

The Chemical Components, Antioxidant and Anticancer Activities of *Ziziphus jujube* Extracts from Turkey
Turkoglu S A69

Investigation of static magnetic field durability treatment on seed and seedling features of mustard (*Sinapis alba* L.)
Feizi H.....75

Molecular phylogeny and biogeography of *Helichrysum* in Iran
Azizi N et al.83

Pflanzenportraits | Plant Portrait

Pharmacological Attributes of *Rosa Canina* L: A Potential Nutraceutical
Zahara K et al. 92
