

AGROCHIMICA

International Journal of Plant Chemistry,
Soil Science and Plant Nutrition
of the University of Pisa

Vol. 64 - No. 4 - October-December 2020

- D. GHOSH, S.K. PAL, S. MAHANTA, P.U. ACHARJEE, P.K. PATRA - Role of iron slime in modifying soil factors to mitigate arsenic in contaminated soils..... pag. 317
- P. GHIBERTO, S. IMHOFF, F. GENERO, A. HEYMO - Soil chemical changes and nutrient leaching losses following application of a farm-dairy effluent..... pag. 331
- R. ILIĆ, T. MILOŠEVIĆ, I. GLIŠIĆ, G. PAUNOVIĆ, L.J. BOŠKOVIĆ-RAKOČEVIĆ, Z. DINIĆ, N. MILOŠEVIĆ - Impact of fertilizers on pear leaf nutrient status at 60 days after full bloom..... pag. 347
- C. SGHERRI, C. PINZINO, M.F. QUARTACCI - Role of tocopherols in the antioxidative defences against copper excess in wheat roots..... pag. 365
- I. HASAN, S. RASUL, S. BUKHAT, M.K. QURESHI, K. ASLAM, S. NOREEN, M.S. ANJAM, H. ATHAR, H. MANZOOR - Salicylic acid supplementation alleviated the adverse effects of salinity stress in *Spinacia oleracea* by improved antioxidative defence system..... pag. 379
- Y. WANG, J. HUANG, H. HUAN, D. HUANG, G. LIU, D. LESUEUR - Phosphate fertilizer addition increases the movement distance and content of the acid soil inorganic phosphorus fractions at green manure microsites pag. 397
