REPORT

- Reproductive cycle of the red sea cucumber, *Parastichopus tremulus* (Gunnerus, 1767), from western Norway
Gyda Christophersen, Ingebrigt Bjørkevoll, Snorre Bakke and Margareth Kjerstad 423

ORIGINAL ARTICLES

- A comparison of spring body condition, maturation status, and diet in the European sardine, *Sardina pilchardus* (Teleostei: Clupeidae) from contrasting environments off the Moroccan Atlantic coast
Hayat El Mghazli, Abdelaziz Mounir, Mohammed Znari, Mohamed Naimi, Hassan El Ouizgani and Mohamed Aourir 431
- Swimbladder filling in herring larvae: effects of food oil on the water surface
Arild Folkvord, Essi Lakso, Marita Laupsa, Sonnich Meier, Luciana Alves Musialak and Svein Sundby 446
- Phylogenetic conservatism of abiotic niche in sympatric Southwestern Atlantic skates
Jéssica Fernanda Ramos Coelho, Sergio Maia Queiroz Lima and Flávia de Figueiredo Petean 458
- Indication of cryptic taxa within the flat needlefish, *Ablennes hians* based on analysis of the cytochrome oxidase I region on a wide range of samples
Roni Tadmor-Levi, Lior David and Daniel Golani 474
- Spatial and temporal variations in the species composition and abundance of benthic macroinvertebrates along the coast of the Eastern Black Sea
Nimet Selda Başçınar, Ahmet Mutlu Gözler, Elnare Eldar Jafarova, Murat Erbay, Ilkay Özcan Akpınar, Elvan Atılğan, Ülgen Aytan, D. Selim Misir and Bayram Zengin 480
- Kinorhynch communities from Alabama coastal waters
Stephen C. Landers, Randall D. Bassham, Jonathan M. Miller, Jeroen Ingels, Nuria Sánchez and Martin V. Sørensen 494
- Distribution and accumulation of Cd in *Ligia cinerascens* and its effect on ultrastructure of hepatopancreas
Jingxian Sun, Ziqian Huang, Ruhao You, Shan Liang, Weixiao Di, Zheyang Chang and Peng Zhang 505
- New records of Recent brachiopods (Terebratulida) from the northern Mid-Atlantic Ridge
Maria Aleksandra Bitner and Tina N. Molodtsova 514
- Nicippe isaki*, a new species of Pandaliscidae (Crustacea: Amphipoda) from Svalbard
Per-Otto Johansen and Wim Vader 521
- Phragmope discrepans*, gen. & comb. nov. (Mesophyllaceae, Corallinales, Rhodophyta), the species known as '*Mesophyllum engelhartii*' from South Africa
Athanasios Athanasiadis 532
- REPORT**
The underreported presence of the subtidal seagrass *Cymodocea nodosa* in rocky intertidal pools of the Canary Islands
Gustavo Gonzalez-Lorenzo, Kilian Toledo-Guedes, Ezequiel Rodríguez-Riesco, Erika González-Méndez, Yulimar González-Rodríguez and Cristina Piñeiro-Corbeira 550
- ORIGINAL ARTICLE**
Disruption of biofilm formation by fractions from book gills and carapace of horseshoe crab *Tachypleus gigas*
MuhdSyukeri Ahmad, Noraznawati Ismail and Ibrahim M. S. Eldeen 556
