

# CC GREEN Scanauftrag

**Auftragsnummer:** ZBMED-BN2117602-1

**Auftragsdatum:** 07.01.21 - 06:03

---

**Signatur:** Z 7969

**Title:** Medicinal Plants

**ISSN:** 0975-4261

**Erscheinungsjahr:** 2020

**Erscheinungsort:** New Delhi

**Band Heft:** 12(1)

**Bitte Inhaltsverzeichnis scannen!**

# Medicinal Plants

## CONTENTS

### SUCCESS STORY

1. **Value addition of Seabuckthorn (*Hippophae salicifolia* D. Don): A success story from Uttarakhand Himalayas** 1-4  
Sunil Dutt, M.S. Rawat, V.P. Bhatt and J.L.N. Sastry

### RESEARCH ARTICLES

2. **Antileishmanial activity of *Allium hirtifolium* on promastigote and amastigote developmental stages of the parasite, *Leishmania major*** 5-10  
Sara Minaeian, Mehdi Mohebbali, Samira Elikae, Behnaz Akhouni, Borna Salemi and Khadijeh Khanaliha
3. **Effect of different growing media on growth and development of rooted cuttings of Indian sarsaparilla (*Hemidesmus indicus* L.)** 11-14  
A. Malar, J. Suresh, K. Rajamani and M. Boomiga
4. **Nutrition profile, chemical analysis and biological activities of *Areca catechu* L. seeds (Areca nut) from Borneo** 15-26  
Khong Heng Yen, Amelina Anak James Otembrou and Nyotia Nyokat
5. **Antioxidant and antityrosinase activities of rhizome extracts from six *Zingiber* species in Thailand** 27-32  
Ratchadawan Puangpradab\*, Ratchuporn Suksathan, Kuttiga Kantadoung and Apinya Rachkeeree
6. **Conservation of *Picrorrhiza kurroa* with arbuscular mycorrhizal fungi: An endangered and highly economic medicinal herb of Himalaya** 33-40  
Sapana Sharma, Sandeep Sharma, Vivek Sharma and M.J. Singh
7. **Physiological performance, secondary metabolite profiling and photo oxidative tolerance in *Withania somnifera*** 41-47  
Mamta Sharma and Sunil Puri
8. **Cytotoxicity evaluation and anti-inflammatory potentials of *Cucumis africanus* L.f. leaves** 48-52  
Taiwo Oluwafunmilola Abifarin, Gloria Aderonke Otunola and Anthony Jide Afolayan
9. **Ethnopharmacological documentation of medicinal plants used in the traditional treatment of diabetes in Tarfaya province (Morocco)** 53-70  
Elhassan Idm'hand, Fouad Msanda and Khalil Cherifi

10. **Phytochemical composition, antioxidant and antidiabetic potential of methanolic extract from *Corchorus olitorius* Linn. grown in Saudi Arabia** 71-76  
Sridevi Chigurupati, Huda Sulaiman Aladhadh, Ahmad Alhowail, Kesavanarayanan Krishnan Selvarajan and Saurabh Bhatia
11. **Effect of the growth environment on Patchouli (*Pogostemon cablin* Benth.) oil character at Southeast Sulawesi, Indonesia** 77-81  
Subehan Lallo, Arsy Hasmiranti, Usmar, Aminullah, Ismail and Besse Hardianti
12. **Antimicrobial and antioxidant potential of *Tylophora indica* (Burm. f.) Merrill and development of an efficient micropropagation system for its therapeutic use** 82-89  
Manju Anand, Siddharth Sharma and Preetika Monga
13. **Population ecology and niche modelling of endangered *Arnebia euchroma* in Himachal Pradesh, India - An approach for conservation** 90-104  
Manohar Lal, S.S. Samant, Rajesh Kumar, Lipika Sharma, Shiv Paul, Sunil Dutt, Deepti Negi and Kaushalya Devi
14. **Potential of some plant species used as ethnomedicine growing around Sasan-Gir, Gujarat, India** 105-113  
Devi Solanki, Kamlesh Gadhvi, Jaysinh Zala and Suhas Vyas
15. ***In vitro* culture and rapid propagation of *Ilex asprella*** 114-119  
Xu Shiqiang, Ying Xiaobao, Cai Shike, Mei Yu and Wang Jihua
16. **Phytochemicals analysis and antibacterial activity of leaf extracts of *Populus ciliata* Wall. ex Royle** 120-129  
Amita Kumari, Ishita Guleria, Diksha Pathania, Nisha and Rachna Verma
17. **The palliative effect of topical *Artemisia dracunculus* administration in imiquimod-induced psoriasis in mice** 130-138  
Thamer A. Mohammed, Shihab H. Mutlag and Bahaa A. Shihab Al-Baghdady
18. **Influence of biofertilizers and bioformulations on biomass and essential oil yield of menthol mint (*Mentha arvensis* L.)** 139-143  
J.S. Aswani, T.N. Pushpa, D. Srikantprasad, Chaya P. Patil, I.B. Biradar and Vijaykumar Gangaraddi
19. **Evaluation of phytochemical and antibacterial potential of *Ajuga parviflora* Benth.** 144-149  
Amrita Suryavanshi, Suresh Kumar, Dolly Kain and Atul Arya
20. **Antifungal activity of essential oil of *Tinospora cordifolia* against storage fungi of wheat** 150-157  
Narendra Kumar, S.M. Paul Khurana and V.N. Pandey
- SHORT COMMUNICATION**
21. **Nutritional aspects of *Tinospora cordifolia* (Giloe)** 158-160  
Vineeta Pandey, Jeetendra Kumar Vaishya, Padmapriya Balakrishnan and Tanuja Manoj Nesari
