

AGROCHIMICA

International Journal of Plant Chemistry,
Soil Science and Plant Nutrition
of the University of Pisa

Vol. 64 - No. 2 - April-June 2020

- R. BRYKOVA, K. IVASHCHENKO, O. GAVRICHKOVA, O. ROMZAYKINA, S. DEMINA, E. LEPORE, E. DOVLETYAROVA - Effect of deicing salts on urban lawn components: a pot experiment..... pag. 97
- L. PISCITELLI, G.N. MEZZAPESA, D. MONDELLI, T. MIANO - Mediterranean soil fertility management for economically feasible and environmentally sustainable production of organic tomatoes pag. 107
- H. ATTIA, K. ALAMER, B. ALGETHAMI, H. ELLOUZI, M. LACHAËL - Effects of growth and salinity on some morphological parameters, pigment and flavonoid concentrations in basil..... pag. 121
- M. MACALUSO, A. BIANCHI, E. ROSINI, C. SGHERRI, I. TAGLIERI, F. VENTURI, F. MENCARELLI, A. ZINNAI, C. SANMARTIN - Testing total sulphur dioxide content in wine with two different instrumental apparatus: a comparison of their analytical performances..... pag. 139
- J. QU, Y. LIU, X. MENG, X. XU, Z. LIU, Y. SUN - Evaluation of the effects of different fertilization modes on black soil fertility in China based on principal component and cluster analysis..... pag. 149
- L.O. MACEDO, J.L. FAVARIN, T. TEZOTTO, A.P. NETO, S.A.L. ANDRADE, P. MAZZAFERA - Soil and foliar nickel application in coffee seedlings alters leaf nutrient balance..... pag. 167
- M. MACALUSO, A. BIANCHI, C. SANMARTIN, I. TAGLIERI, F. VENTURI, L. PISTELLI, A. ZINNAI - Extra virgin olive oils produced from whole and pitted olives using argon as malaxation gaseous atmosphere: synergistic effect of the two different strategies to improve oil quality pag. 181
- S. LARBI, S. BEN KAËB, J.A. TEIXEIRA DA SILVA, L. BETTAIEB BEN KAËB - Cadmium and copper stresses affect germination and enzymatic activities in chickpea (*Cicer arietinum* L.) pag. 191
