

BIOGRAPHY

Changxun Fang (China). Pioneers of Allopathy: Wenxiong Lin 1

REVIEW PAPERS

J Xunzhi Zhu, Kaimei Zhang and Shijie Tang, T. (China). Allopathic plants 29: *Eupatorium adenophorum* Sprengel 15

RESEARCH PAPERS

I. Lukasik and S. Golawska (Poland). Biochemical markers of oxidative stress in maize seedlings exposed to rose-grass aphids 23

K.J. Kavitha, L. Sibina. L. and D.A. Evans (India). Allomones confer resistance to *Musa paradisiaca* L. cultivar Pisanglilin against infestation by *Odoiporus longicollis* [Oliver] and characterization of Allomones 35

Mst. Motmainna, Abdul Shukor B Juraimi, Md. Kamal Uddin, Norhayu Binti Asib, AKM Mominul Islam and Mahmudul Hasan (Malaysia). Allopathic potential of Malaysian invasive weed species to control weedy rice (*Oryza sativa* f. *spontanea* Roshev) 53

S. Choudhary, Shriya, P. Chauhan, D. Pathania, H., Ritika, N. Chaudhary and Mamta Sharma (India). Herbicidal effects of *Withania somnifera* L. leaf extract on *Cannabis sativa* L., *Hordeum vulgare* L. and *Cicer arietinum* 69

M. Akbar, A. Amin, T. Khalil, M. S. Iqbal and A. Nazir and A. Taswar (Pakistan). Antibacterial activity of *Alternanthera philoxeroides* (Mart.) Griseb. against bacterial phytopathogens: *Erwinia carotovora*, *Ralstonia solanacearum* and *Xanthomonas axonopodis* 83

X.H. Zhang, H.L. Xie, Y.Y. Wang and X.G. Zhou (China). Effects of green manure of wild rocket (*Diplotaxis tenuifolia* L.) on cucumber rhizosphere fungal community 93

Q.X. Zhang, X.T. Chen, Y.C. Wang, Y.H. Wang, C.L. Zhu, L.W. Lin, H.B. He and H.B. Wang (China). Autotoxicity of continuously cropped passion fruit (*Passiflora edulis* Sims) soil 101

Y.F. Huang, E.H. Zhang, X.H. Zhang, Q. Wang, H.Z. Wang, Q.L. Liu, J.L. Yuan and J.J. Cui (China). Autotoxic compounds from rhizosphere soil of Lanzhou lily extracts: Identification and biological activity 111
