In memoriam Professor Zoltán Király <i>Balázs Barna</i>	1
In memoriam professor Wittko Francke <i>Gábor Szócs and Miklós Tóth on behalf of the Editorial Board</i>	3
DISEASES	
Pathogenic and molecular variation of <i>Fusarium</i> species causing head blight on barley landraces <i>Nachaat Sakr and Amina Shoaib</i>	5
PESTS	
An annotated checklist of the scale insects of Egypt (Hemiptera: Sternorrhyncha: Coccoomorpha: Coccoidea) <i>Shaaban Abd-Rabou and Gregory A. Evans</i>	25
Controversial impact of experimental soil inoculant containing <i>Beauveria bassiana</i> and <i>Metarhizium anisopliae</i> on <i>Sitophilus granarius</i> <i>Sándor Keszthelyi, Petra Grünvald and Ferenc Pál-Fám</i>	59
Jumping plant lice (Hemiptera, Psylloidea) in rest stops of Hungarian highways <i>Jenő Kotschán, Géza Ripka and Balázs Kiss</i>	69
Three new gall mite records (Acari: Acariformes: Eriophyoidea) from Hungary and supplementary description of two species <i>Géza Ripka, Enikő Kiss, Jenő Kotschán and Árpád Szabó</i>	81
The preimaginal stages and bionomics of <i>Scythris sinensis</i> (Felder and Rogenhofer, 1875) (Lepidoptera, Scythrididae), a Borer in <i>Chenopodium album</i> L. (Chenopodiaceae) <i>Attila Takács, Csaba Szabóky and Balázs Tóth</i>	99
Erratum: Screening some common molecular markers and a desaturase marker, linked to sex pheromone biosynthesis, in three Z-strain and an E-strain populations of the European Corn Borer, <i>Ostrinia nubilalis</i> , occurring in Central Europe <i>G. Bozsik, A. Lakatos, G. Szócs and I. Tóbiás</i>	109
