

PLANT DISEASE RESEARCH

VOLUME 36(1)

CONTENTS

Review

- Changing concepts in crop protection – A perspective view 1
T. S. Thind

Mini Reviews

- Banded leaf and sheath blight (*Rhizoctonia solani*): An emerging malady in cultivation of nutriceals 11
T.S.S.K. Patro, Boda Praveen, K.B. Palanna and I.K. Das
- Sclerotinia stem rot: A significant agricultural problem of rapeseed-mustard crop production 18
M.S. Yadav

Mycology

- Efficacy of different culture media on growth and characteristics of mycelium of monkey head mushroom (*Hericium erinaceus*) 27
Jawala Singh, Narender Singh, Rakesh Kumar Chugh, N.K. Yadav and R.S. Chauhan
- Efficacy of fungicides and organic formulations against wet bubble disease of white button mushroom 32
Nikita, Arun Kumar Sud and Pardeep Kumar

Fungal Pathology

- Evaluation of fungitoxicants and *Trichoderma* against *Macrophomina phaseolina* causing root rot of cotton 39
N.K. Yadav, Mukesh Kumar, Narender Singh, R.S. Chauhan and Anupam Mahrashi
- Influence of temperature, inoculum potential and wetness duration on development of anthracnose disease of strawberry 45
S.K. Thind, Simranjitkaur, Amrinder Kaur, Ishwinder Kamboj and Anita Arora
- Multiple resistance sources to yellow rust and powdery mildew in some exotic wheats 52
Ashwani K. Basandrai, Daisy Basandrai, Amritpal Mehta, B.K. Sharma And Hausila Prasad Singh
- Management of powdery mildew (*Oidium mangiferae*) of mango with fungicides 58
Anita Arora, Harpreet Singh, Yesmin Kaur, Mandeep Singh and Sumanjit Kaur
- Screening for blast resistance in aromatic and basmati rice under north-western Himalayas 62
Hausila Prasad Singh, Om Prakash Raigar, Daisy Basandrai, Naiya Sharma, Sachin Upmanyu and Ashwani K. Basandrai
- Root invasion of rice seedlings by *Ustilaginoidea virens* 69
Ritu Rani and Mandeep Singh Hunjan

Ascertaining sources of resistance against Fusarium wilt and sterility mosaic disease of pigeonpea <i>Narendra Singh, Rakesh R. Patel and Ashwin. M. Patel</i>	74
Effect of seed treatment and foliar spray on spot blotch of barley <i>Amrinder Kaur, Yogita Bohra and Vineet K. Sharma</i>	80
Bioefficacy of fungicides against Karnal bunt and flag smut of wheat in Himachal Pradesh <i>D.K. Banyal, Priya Bhargava and B.K. Sharma</i>	85
Short Communication	
Biological control of parthenium weed with winter rust (<i>Puccinia abrupta</i> var. <i>partheniicola</i>) in Himachal Pradesh <i>Narender K. Bharat</i>	90
