

CONTENTS

Original Articles

- 1 A new species of parasitic copepod of the genus *Lernaenicus* Lesueur, 1824 (Siphonostomatoida: Pennellidae) from the torpedo scad *Megalaspis cordyla* (Linnaeus) off Kerala coast of Arabian Sea, India
Panakkool Thamban Aneesh, Ameri Kottarathil Helna, Appukkuttannair Biju Kumar and Balu Alagar Venmathi Maran
- 12 A new species of *Dynoides* Barnard, 1914 (Crustacea, Isopoda, Sphaeromatidae) from Canada, with notes on geographic distribution of the north-eastern Pacific Ocean species
Valiollah Khalaji-Pirbalouty and Jean-Marc Gagnon
- 21 Sabellariid (Polychaeta: Annelida) reefs as nursery ground for the hermit crab *Clibanarius symmetricus* (Randall, 1840) on the Amazonian coast of Brazil
Daiane Aviz, Cleverson Ranieri Meira dos Santos and José Souto Rosa Filho
- 31 Phylogenetic position of the hemiuroid genus *Paraccacladium* Bray & Gibson, 1977 (Trematoda: Hemiuroidea) and the status of the subfamily Paraccacladiinae Bray & Gibson, 1977
Sergey G. Sokolov, Dmitry M. Atopkin and Ilya I. Gordeev
- 41 Behavioural responses in the sand tiger shark (*Carcharias taurus*) to permanent magnets and pulsed magnetic fields
Maila Polpetta, Francesco Piva, Stefano Gridelli and Filippo Bargnesi
- 57 Normalizing home ranges of immature Kemp's ridley turtles (*Lepidochelys kempii*) in an important estuarine foraging area to better assess their spatial distribution
Andrew DiMatteo, Gwen Lockhart and Susan Barco
- 72 Optimization of fishery resources assessment methods and ecological effects evaluation of artificial reefs
Lei Zeng, Zhenzhao Tang, Pimao Chen, Jie Yu and Guobao Chen
- 86 Effects of salinity on haemolymph osmolality, gill Na^+/K^+ ATPase and antioxidant enzyme activities in the male mud crab *Scylla olivacea* (Herbst, 1796)
Phurich Boonsanit and Supanut Pairohakul

Report

- 98 Effect of different measuring techniques, preservation methods and storage duration on the morphometric measurements of crustacean larvae
Hanafiah Fazhan, Khor Waiho, Mohamad Jalilah, Mhd Ikhwanuddin, Ghazali Azmie, Sabri Muda, Mohd Zaidi Ibrahim, Draman Shuhaimi, Mohd Husin Norainy, Muhammad Allim Jamalludin and Ngah Rusnita
