

AGROCHIMICA

International Journal of Plant Chemistry,
Soil Science and Plant Nutrition
of the University of Pisa

Vol. 65 - No. 3 - July-September 2021

- S. MOUAS-BOURBIA, P. BARRE, D. ISSAOUN, S. AIT ABDELKAOUI, F. BELLABIODI, M. NAIT KACI, G. YAHIAOUI TIBICHE, O. OMOURI, B. VELDE - Short-term effect of olive mill wastewater spreading on potassium bioavailability and clay mineralogy in bulk soil and rhizosphere of olive trees..... pag. 211
- K.K. RAO, S.K. SAMAL, M. KUMAR, S.K. NAIK, B.P. BHATT, V. PRAKASH, S. MONDAL, A.K. CHOUBEY, R.C. DALAL, J.S. MISHRA, U. KUMAR - Carbon sequestration potential of rice-based cropping systems under different tillage practices..... pag. 229
- A. BATJUKA, N. ŠKUTE - Estimation of dynamical changes in the superoxide anion radical producing rate and quantitative alterations of nucleic acid and protein synthesis in coleoptiles of wheat seedlings (*Triticum aestivum* L.) pag. 247
- A. CERVERA-MATA, C. MONDINI, J.M. MARTÍN-GARCÍA, G. DELGADO - Effects of the addition of spent coffee grounds combined with a nitrogen fertilizer on the soil-plant system..... pag. 261
- K. KORKMAZ, M. NUR ERGIN, M. AKGÜN, K. SALTALI - The influence of humic deposit (gyttja) application on some selected soil properties and yield-quality of hazelnut in acid conditions..... pag. 279
- V. ČIRIĆ, M. MANOJLOVIĆ, J. ŠVARC-GAJIĆ, B. KUMAR SITAULA - Comparison, limitations and uncertainty of wet chemistry techniques, loss on ignition and dry combustion in soil organic carbon analysis..... pag. 295
