

## **CONTENTS**

### **Review**

*B.-Z. Yuan and J. Sun*

A bibliometric analysis of strawberry research from food science and technology category based on web of science 1

### **Research Report**

*P.K. Dash, C.A. Chase, S. Agehara and L. Zotarelli*

Alleviating heat stress during early-season establishment of containerized strawberry transplants 19

### **Research Report**

*L. Klavins, E.P. Puzule, J. Kvišis and M. Klavins*

Optimisation of blueberry (*Vaccinium corymbosum* L.) press residue extraction using a combination of pectolytic enzyme and ultrasound treatments 41

### **Research Report**

*V. Ipek, B.M. Balkan, M.E. Inanc, O. Kaplan, O. Corum, S. Gungor, H. Karaca and A. Ata*

Effects of mulberry extract on the liver pathology and serum biochemical parameters in carmustine administrated rats 59

### **Research Report**

*E.Y. Platonova, N.V. Zemskaya, M.V. Shaposhnikov, D.A. Golubev, D.V. Kukuman,*

*N.R. Pakshina, N.S. Ulyasheva, V.V. Punegov, S.A. Patov and A. Moskalev*  
Geroprotective effects of \**Sorbaronia mitschurinii* fruit extract on *Drosophila melanogaster* 73

### **Research Report**

*M. Keshtkaran, M. Mizani, S.M.E. Mousavi, M.A. Mohammadifar and R. Azizinezhad*

Extraction optimization and microencapsulation of Berberine from *Berberis vulgaris* incorporated in a functional orange drink: Physicochemical attributes and kinetic release studies 93

### **Research Report**

*M. Bieniasz, E. Dziejdzic and T. Kusibab*

Evaluation of morphological traits of flowers and crossing possibility of haskap (*Lonicera* L.) cultivars depending on their origin 115

### **Research Report**

*P.A. Roussos, A. Tsafouros, E. Ntanos, N.-K. Denaxa, A. Kosta and P. Bouchagier*

Could black anti-hail net have an extra role as an amelioration agent against heat stress in kiwifruit? 131
