

Research Report

E. Abedi Gheshlaghi, M.K. Eshkvarian, M.A. Shiri, T. Raiesi and D.J. Mojaddad

The effect of summer pruning time and severity on antioxidant capacity and storage quality of Hayward kiwifruit

175

Research Report

A. Varaldo, V. Chiabrando and G. Giacalone

Influence of growing environment and pruning techniques on storage and quality traits of *Vaccinium corymbosum* L., cv 'Duke'

195

Research Report

Y. Zhang, J. Gu, Y. Wang, Z. Zhao, Z. Wang and W. Li

The anti-tumor activity and critical active compounds of polyphenols from Chinese dwarf cherry (*Cerasus humilis*)

211

Research Report

K. Yilmaz, C. Baltaci, S. Ozturk and O. Karpuz

Bioactive properties of vinegars produced from *Prunus laurocerasus* L. varieties

227

Research Report

D.C. Castro, A. Piagentini and M.É Pirovani

Quality attributes of Pitanga (*Eugenia uniflora* L.) during postharvest storage as affected by ripening stage and storage temperature

245

Research Report

A. Özkan-Karabacak

Evaluation of drying kinetics and quality parameters of rosehip pestils dried by three different methods

261
