

## RESEARCH PAPERS

- K. Kakar, T.D. Khanh, Ramin Rayee and T.D. Xuan (Japan).** Allelopathic potential of mutant rice varieties and its relation with grain quality 107
- J.V.B. Calvelli, V.M. Betelli, D.V.B. Braga, R.G. Bastos, A.R. Cunha Neto, W. Vilegas, M.J.D. Silva, M.A. da Silva, G.A. da Silva and S. Barbosa (Brazil).** Phytochemical characterization and bioherbicide potential of *Duranta erecta* L. 123
- Xiao Liu, Yuhan Sun, Chao You, Di Wu, Longfeng Gong and Jichen Xu (China).** Allelopathic effects of *Zelkova schneideriana* Hand. Mazz root exudates on growth of rape, wheat, maize and tall fescue 137
- Parveen Kaur and P. Leela (India).** Effects of *Azadirachta indica* leaf extract on growth and development of *Oryza sativa* (L.) and *Zea mays* (L.) 147
- S. Kamala Bai, Sindhu, K.K, G. Avinash, and B.V. Krishnamurthy (India).** Allelopathic potential of *Alternanthera philoxeroides* (Mart.) Griseb on growth and development of *Eichhornia crassipes* (Mart) Solms 159
- Anupam Sekhon, Narpinderjeet Kaur Dhillon and Harwinder Singh Buttar (India).** Alleviating the stress of *Meloidogyne graminicola* and *Drechslera oryzae* pathogens with nitrogen application in direct seeded and transplanted rice 171

## HEALTH SCIENCE

- P. Jain, R. Mishra, A. Debnath and S. Sharma (India).** Potential of *Azadirachta indica* A.Juss., *Eucalyptus globulus* Labill, and *Ocimum sanctum* L. Phytochemicals as Herbal Hand Sanitizer: A Review 183
- Chandana Majee, Rupa Mazumder and Alka N. Choudhary (India).** Antioxidant and hepatoprotective potentiality of *Tripa natans* L. leaf extract in liver damage 201
- Shilajit Das, Avijit Mazumder, Bhavani Pentela, Saumya Das and Roma Ghai (India).** Department of Pharmacology, Noida Institute of Engineering and Technology (India). Phytochemical components in *Datura metel* plant and their therapeutic properties 209
